Appellant's Statement of Facts

The defendant was charged in Chester County General Sessions Court with one count of Possession of a Stolen Vehicle over \$10,000 from an incident occurring in Chester County on or about August 7, 2015. Subsequent to that charge the defendant was indicted by the Chester County Grand Jury on or about May 8, 2018 for Obstruction of Justice

The defendant, after consultation with his attorney, agreed to enter a plea of guilty to the charges with a negotiated sentence of 2 years in the Department of Corrections suspended the service of 60 days in the County Detention Center to be served on weekends and 3 years of probation. The Honorable William A. McKinnon accepted the plea and sentence the defendant to the negotiated sentence.

Issues on Appeal

Subsequent to his guilty plea, the defendant requested her counsel to file an appeal regarding this plea. Pursuant to Rule 203(b)(2) and(d) SCACR, defendant's counsel is filing this appeal.

However, after a review of the facts of this case and guilty plea, defendant's counsel finds there is no issue for appeal and believes it to be without merit.
