Motion for Clarification

Can you please give me a little clarity as to what's going on. On 5-21-19 I received a letter from the Court of Appeals dated 5-14-19 instructing me to file appellant's initial brief and designation of matter along with a motion requesting permission to serve and file appellant's initial brief and designation of matter outside of the filing deadlines set by Rule 208. I was given 10 days. I filed this the next day of 5-22-19. Today I received a letter stating motion to proceed in forma pauperis is denied. Today on 5-29-19. I am confused as to why the courts instruct me to file an initial brief and designation of matter then deny it on something totally different. Can you please help me understand? Am I being denied the right to appeal an unjust decision? Could the Honorable Courts please verify what's going on?
