Pursuant to Rule 221, the Appellate respectfully requests a rehearing in the above case for the following:

1. The Appellate inadvertently placed the incorrect arguments in the Table of Contents in the Appellate's Brief. The remainder of the brief contained the correct Arguments and contents in which the Courts could have relied on in making the decision.
2. According the Rule 211, **(2) Correction of Typographical Errors and Misspellings.** The party may correct obvious typographical errors and misspellings which were contained in the initial brief. No other changes may be made. This was an obvious typographical error and the Appellate should be given the opportunity to correct it for justice to be served.
3. For the above reasons, the Appellate requests that she is given the opportunity to correct the Table of Contents.
