For Appellant

The appellant respectfully submits motion for reconsideration of the Petition for Rehearing with application of new precedent herein and motion for abeyance of all time limits. Specifically, the case of *Citizens for Quality Rural Living, Inc., v. Greenville Cnty. Planning Comm'n* (S.C. App., 2019) (COA Case No. 2017-000170 with remittitur filed in the Circuit Court on June 12, 2019) supports reversal of the May 23, 2019, Petition for Rehearing and reversal of the March 6, 2019, opinion herein. See attached copy of correspondence dated and faxed June 12, 2019. That case supports the appellant's right to file in the circuit court the notice of BZA appeal with request for pre-litigation mediation. Accordingly, appellant respectfully requests this Court grant this motion for reconsideration and grant motion for abeyance of all time limits pending disposition.

Respectfully submitted,
