Case No. 2018-001554

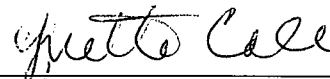

SC Court of Appeals

May 21, 2019

To Whom It May Concern,

I am writing to inquire about the status of my appeal currently pending before your court. I was told that it is currently under review, and that the process could take a while. This appeal is the basis of a property dispute that has been ongoing since 2016. I filled the appeal on January 9, 2019 and here it is four months later and I have heard nothing in regards to its status. I understand that the appeal process takes some time, but as I have already spent a lot of time, money and energy on this matter I am ready for some finality. If you could be so kind as to let me know what is going on with my case, and when I should look to get a response, that would be greatly appreciated. Thank you for your time, and I look forward to speaking with you soon.

Thank You,

Yvette Cole
