Re: Jane Doe v. TCSC, LLC  
Appellate Case No.: 2017-001216  
YCR File: 11176-20160726

Dear Ms. Allen:

I understand this case might be considered during September or October 2019, and if argument is held, the potential dates are September 9, 10, 11, 12, 16, 18, and 19 and October 7, 8, 9, 10, 14, 15, and 22. I or my co-counsel Ed Buckley plan to appear for any argument on behalf of Appellant, TCSC, LLC, d/b/a Hendrick Toyota of North Charleston. Mr. Buckley and I have another case, *Andrew McIntire v. Seaquest Development* (Appellate Case 2017-001270), wherein our firm represents Respondent, Seaquest Development Company, Inc., that is potentially up for argument on the same dates in September and October as the instant matter. If possible, I would appreciate any argument in these cases not being set for the same day. Additionally, I have another case that is tentatively calendared for argument in the Fourth Circuit Court of Appeals during the 9/18/19 – 9/20/19 argument session and Mr. Buckley has a mediation set on September 12, so we would appreciate the instant case not being set for argument on September 12, 18, or 19.

With best wishes and kindest regards, I am

Sincerely,

YOUNG CLEMENT RIVERS, LLP
