Question of Application to Individual Justice Ruth Bader Ginsburg under Rule 30

The Honorable Supreme Court of the United States of America is being presented with a request for an extension of time to receive the transcripts for the rehearing of the Writ of Certiorari in the above mentioned SCOTUS filing number under *Rule 44*. The State of South Carolina in complete non-adherence to the Federal & State of South Carolina Rules and Procedures of appellant access to the flow chart given in any legal course taught at any Law School, Military Legal Education, or undergraduate course is apparent in the delay of the transcripts under *In Forma Pauperis* request from the Kirkland Reception and Evaluation Center for holding those that do not qualify for Prison entrance as first time offenders. The issue goes further to show that the payment was made, and the non-adherence is still present to cause more lawsuits in the State of South Carolina and the United States of America under *Bivens Act & Section 1983* in the Exhibit A of this application.

In Re: State of South Carolina v. G. Von Fox trial

Dear Mr. Von Fox,

I have received your money order for \$120.00 requesting a transcript in the above-referenced case. I believe the estimate I previously gave you was \$1,200 for the entire trial transcript. I am returning your money order, as I will need full payment before I begin preparing the transcript. I will not take partial payments. You will need to send the full amount at one time. You also mentioned in your note that came with the money order that you had sent me \$1,200. Please be advised I have received NO deposit as of yet. I have received letters from you indicating you will be sending money, but I have never received any payment from you.

Payment may be made in the form of a law firm check, cashier's check or money order made payable to Ruth C. Weese. Upon receipt of the funds I will either mail or email the transcript when completed. If the final transcript invoice is smaller than estimated, I will certainly refund your money. Likewise, if it is larger than my estimation, I will write you to let you know of the balance owed.

By statute, I have 60 days to complete the transcript. The time begins to run after I have received FULL payment. If I get the transcript done before then, I will deliver it to you promptly.

Thank you in advance for your payment, and I look forward to hearing from you. Also, please be advised you will need to contact Court Administration in Columbia, South Carolina to order the transcript. They will then forward the order to me, as I am no longer working for the State and have moved out of state.

Any further correspondence should be initiated through them.

Sincerely,
Ruth C. Weese, RDR
