CERTIFICATE OF COUNSEL582

THE FOLLOWING EXHIBITS ARE ON FILE WITH THIS COURT:

- State’s Exhibit 1 (DVD of 911 Call)**
- State’s Exhibit 29 (DVD of Interview)**

1 defendant, Ms. Young, is charged with three separate
2 offenses, and the first offense that she is charged with
3 is the murder of Davonte Freeman. Now, the State must
4 prove beyond a reasonable doubt the defendant killed
5 another person with malice aforethought to prove Ms.
6 Young guilty of murder.

7 Ladies and gentlemen, malice is hatred, ill will,
8 or hostility towards another person. It's the
9 intentional doing of a wrongful act without just cause
10 or excuse, and with intent to inflict an injury, or
11 under circumstances the law will infer an evil intent.
12 Malice aforethought does not require that malice exists
13 for any particular time before the act is committed, but
14 malice must exist in the mind of the defendant just
15 before and at the time the act is committed. Therefore,
16 there must be a combination of a previous evil intent
17 and the act.

18 Ladies and gentlemen, malice aforethought may be
19 express or inferred, and those terms, express and
20 inferred, do not mean different kinds of malice, but
21 merely the manner in which malice may be shown to exist.
22 That is either by direct evidence or by inference from
23 the facts and circumstances which are proved. Express
24 malice is shown when a person speaks words which express
25 hatred or ill will for another, or when the person

1 prepared beforehand to do the act which was later
2 accomplished. For example, lying in wait for a person
3 or any other acts of preparation is going to show that
4 the deed was within the defendant's mind would be
5 express malice. Malice may be inferred, ladies and
6 gentlemen, from conduct showing a total disregard for
7 human life, and inferred malice may also arise when a
8 deed is done with a deadly weapon.

9 Now, a deadly weapon is any article, instrument, or
10 substance which is likely to cause death or great bodily
11 harm. And whether an instrument has been used as a
12 deadly weapon depends on the facts and circumstances of
13 each case. Now, the following are examples of
14 instruments which may be deadly weapons: a pistol, a
15 shotgun, a rifle, a dirk, a dagger, a knife, metal
16 knuckles, a razor, gasoline, a fire bomb and lighter
17 fluid. Now, if one intentionally kills another during
18 the commission of a felony, the inference of malice may
19 arise. If facts are proved beyond a reasonable doubt
20 sufficient to raise an inference of malice to your
21 satisfaction, this inference would simply be an
22 evidentiary fact to be taken into consideration by you,
23 along with all other evidence in the case, and you may
24 give it the weight that you decide it should receive.

25 Now, in this case, the defendant, Ms. Young, is

4-15-18 STATE V YOUNG

JURY CHARGE

1 also charged with the attempted murder of Wrenshad
2 Anderson. Now, in order to prove this crime, the State
3 must prove the defendant attempted to kill another
4 person with malice aforethought, either express or
5 implied. And bear with me, ladies and gentlemen,
6 because I have to go through and explain to you again
7 what malice is, as I just did as to murder. Okay?

8 Again, malice is hatred, ill will, or hostility
9 towards another person. It's the intentional doing of a
10 wrongful act without just cause or excuse, and with an
11 intent to inflict an injury or under circumstances that
12 the law will infer an evil intent. Malice aforethought
13 does not require that malice exists for any particular
14 time before the act is committed, but it must exist in
15 the mind of the defendant just before and at the time
16 the act is committed. So therefore, there must be a
17 combination of the previous evil intent and the act.

18 Malice aforethought may be express or inferred, as
19 I told you before. And again, these are not different
20 types of malice, but rather the manner in which they can
21 be shown to exist. That is either by direct evidence or
22 by inferences from the facts and circumstances which are
23 proved. Again, express malice is shown when a person
24 speaks words with express hatred or ill will for
25 another, or when a person prepared beforehand to do the

1 act which was later accomplished. And again, I give you
2 the example, lying in wait for another person or any
3 other acts of preparation, going to show that the deed
4 was in the defendant's mind would be express malice.
5 Again, malice may be inferred from conduct showing a
6 total disregard for human life. And again, inferred
7 malice may also arise when a deed is done with a deadly
8 weapon. And I gave you examples of a deadly weapon,
9 again, before. It's any article or substance that is
10 likely to cause death or great bodily harm.

11 Now, ladies and gentlemen, last, the defendant,
12 Ms. Young, is charged with possession of a weapon during
13 the commission of a violent crime. Now, the State must
14 prove beyond a reasonable doubt as to this charge that
15 the defendant was in possession of a firearm or visibly
16 displaying what appeared to be a firearm during the
17 commission of a violent crime. Now, a firearm means any
18 machine gun, automatic rifle, revolver, pistol, or any
19 weapon which will, is designed to, or may be readily
20 converted to expel a projectile.

21 Now, in order to find the defendant guilty of
22 possession of a weapon during the commission of a
23 violent crime, you must first find the defendant guilty
24 of committing a violent crime. I instruct you, ladies
25 and gentlemen, under the laws of the State of South

4-15-18 STATE V YOUNG

JURY CHARGE

1 Carolina, the charges of murder and attempted murder are
2 violent crimes.

3 Ladies and gentlemen, lastly, to prove this
4 charge, the State must prove beyond a reasonable doubt
5 that the weapon further advanced or helped in the
6 commission of the crime.

7 Now, I also remind you in this case that there are
8 three separate indictments, and each indictment charge
9 is a separate and distinct offense. You must decide
10 each indictment separately on the evidence and the law
11 that's applicable to it. The defendant may be convicted
12 or acquitted on any or all of the offenses charged.
13 Again, Madam Foreperson, you'll be asked to write a
14 separate verdict of guilty or not guilty as to each
15 charge in this case, for murder, attempted murder, and
16 possession of a deadly weapon during the commission of a
17 violent crime.

18 However, I do want to point out that in order for
19 you to find the defendant guilty of a possession of a
20 weapon during the commission of a violent crime, you
21 must first find the defendant guilty of committing a
22 violent crime. In other words, again, you can't find
23 the defendant not guilty of murder and not guilty of
24 attempted murder, and then find the defendant guilty of
25 the weapons charge. And while these are separate

1 charges, again, as I've stated before, you can find the
2 defendant guilty of possession of a deadly weapon during
3 the commission of a violent crime, you must first find
4 that she is guilty of either murder or attempted murder
5 or both.

6 Madam Foreperson, members of the jury, as you
7 retire to begin your deliberations in this case, I wish
8 to express the hope that each of you are mindful of your
9 responsibility here today. You're not called upon very
10 often to serve as jurors, and the proper performance
11 requires that each of you reach the height of freeing
12 your mind of all improper influences.

13 Please don't get the idea that I'm trying to
14 intimate to you that you should decide how to decide
15 this case. Again, under the laws of our state you, the
16 jury, are the sole judge of all facts, and it would be
17 highly improper for me to influence you in your
18 performance of that duty. However, ladies and
19 gentlemen, as the presiding officer of this court, I am
20 vitally concerned that whatever verdict you reach will
21 be the result of you going back into your jury room and
22 confining your consideration to the evidence and the law
23 that you've heard here in this courtroom, weighing it
24 fairly and impartially, as I have every confidence you
25 will.

4-15-18 STATE V YOUNG

JURY CHARGE

1 Ladies and gentlemen, your verdict must be
2 unanimous. It must be the verdict of all twelve jurors.
3 And to that end, Madam Foreperson, we prepared a verdict
4 form. It has the case caption in this case. It says,
5 *the State of South Carolina versus Aneisha Shaire Young,*
6 *Defendant.* It has three questions, all of which you
7 must answer. And the first question says, *as to the*
8 *charge of the murder of Davonte Freeman, we find the*
9 *Defendant, Aneisha Young, and it says either not guilty*
10 *or guilty.*

11 As to the next question, Number 2, *as to the*
12 *charge of attempted murder of Wrenshad Kwame Anderson,*
13 *we find the Defendant, Aneisha Young, either not guilty*
14 *or guilty.*

15 And lastly it says, *as to the charge of possession*
16 *of a weapon during the commission of a violent crime, we*
17 *find the Defendant, Aneisha Young, either not guilty or*
18 *guilty.*

19 Ladies and gentlemen, please don't infer the order
20 that I put not guilty or guilty. Every trial that I do
21 is just flip them. Okay? After that, there is a line
22 that says, *I certify that this is the unanimous decision*
23 *of the jury,* and then there is a line for the foreperson
24 to sign her name and date the verdict form.

25 Madam Foreperson, when the jury has reached a

1 unanimous verdict of all twelve of you, I need you to
2 knock on the jury room door, and we are going to accept
3 you back into the courtroom to take your verdict. All
4 right?

5 Ladies and gentlemen, for the very last time I'm
6 going to send you to your jury room, and I am going to
7 tell you not to begin discussing this case. If there's
8 something further on the law that the lawyers want me to
9 charge you, I'm going to bring you back in here, and I'm
10 going to charge you further on the law. If not, you're
11 going to get the verdict form, as well as the other
12 evidence that was introduced into the record, and that
13 is going to be your signal to begin your deliberations.

14 Also, Madam Foreperson, I need to tell you that
15 while you have seen my court reporter taking everything
16 down in this trial, there is no transcript of what has
17 been said in here. If you would like to have testimony
18 played back in this case of a witness, what we do is, we
19 bring you back in the courtroom, sit you right back down
20 in your seats, and I play the audiotape of it. But what
21 I need you to understand is this. If you ask me for a
22 witness's testimony, I am required to play that
23 witness's entire testimony, which means the direct
24 examination, the cross-examination, the re-direct. All
25 right?

4-15-18 STATE V YOUNG

JURY CHARGE

1 Also, ladies and gentlemen, I will tell you that
2 all the evidence that has been entered into this case
3 for you will be given to you back in the jury room. So
4 don't send me a note asking me about whether or not you
5 can have x, y, or z. If it was not entered into
6 evidence, it is not properly before you and I cannot
7 give it to you. Okay?

8 Ladies and gentlemen, I'll also tell you this. It
9 is about 12:15. I'm going to let you begin your
10 deliberations. I'm going to send the bailiffs back to
11 talk to you. If you believe you're going to be going
12 for a little bit, Ms. Bostick will order you pizza or
13 something to keep you going, if it's necessary. But I
14 want you first to begin your deliberations to see how
15 you're doing, and to see if you can reach a verdict, you
16 know, some time, you know, in the very near future.

17 Margaret, I don't know how long it takes to order
18 pizza. How long is it, roughly, once we put in the
19 order?

20 MADAM CLERK: It's about thirty or forty-five
21 minutes.

22 THE COURT: It's about thirty or forty-five minutes
23 or so. So once the bailiff comes in and asks you, Madam
24 Foreperson, should we order some pizza, you can expect
25 it will be here between thirty or forty-five minutes.

1 Okay? And then, after that, if you need anything,
2 please ask the bailiffs. I know there are Cokes back
3 there and coffee, water. Whatever you need, though, let
4 us know. Okay?

5 Madam Foreperson, again, I'm going to send you
6 back to your jury room. Do not discuss this case yet.
7 You must wait until you get the verdict form, as well as
8 the other evidence. Okay? You all are excused back to
9 your jury room. Thank you.

10 JURORS LEAVE COURTROOM 12:18 P.M.

11 THE COURT: Thank you. Any exceptions or additions
12 from the State?

13 SOLICITOR HOLLEN: None from the State.

14 THE COURT: From the Defense?

15 MR. PLEXICO: No, your Honor.

16 THE COURT: All right, you all. You need to look
17 at the evidence with Wanda very quickly. We're going to
18 send it back to them, and like I said, we're going to
19 let them deliberate a little bit.

20 OFF THE RECORD 12:15 P.M.

21 VERDICT FORM AND EXHIBITS TAKEN

22 TO JURORS 12:24 P.M.

23 BACK ON THE RECORD 2:45 P.M.

24 VERDICT:

25 THE COURT: Come on up, Ms. Young. All right.

3-14-18 STATE V YOUNG

VERDICT

1 Ladies and gentlemen, I understand the jury has reached
2 a verdict. They're going to come out and I'm going to
3 read the verdict. I want to go ahead and warn everybody
4 right here, right now, there will be no outbursts, no
5 nothing, no words. I don't even want to see someone
6 stand up after the verdict. If you do, you'll be taken
7 into custody, and that's anyone involved. Do you
8 understand? Okay. I would hate for that to happen. I
9 know this is a very difficult case. I know it's very
10 emotional for both sides, and again, I would never want
11 that to happen. So if you cannot contain yourself,
12 right now I am asking that you leave. You can look
13 around, there are a lot of police officers in this
14 courtroom. Their job here is if anyone acts out in any
15 way, they are going to grab you. Okay? So I just want
16 to make sure everybody understands that. Okay? All
17 right. Let's bring the jury out.

18 JURORS ENTER COURTROOM 2:47 P.M.

19 THE COURT: Welcome back, ladies and gentlemen of
20 the jury. Madam Foreperson, I understand the jury has
21 reached a verdict. Is that correct?

22 FOREPERSON: Yes, ma'am, we have.

23 THE COURT: Would you please hand it to Ms.
24 Bostick. Thank you.

25 All right. Mr. Plexico, would you and your client

1 please rise.

2 *In the case of the State of South Carolina versus*
3 *Aneisha Young, defendant, as to the charge of murder of*
4 *Davonte Freeman, we find the defendant, Aneisha Young,*
5 *guilty.*

6 *As to the charge of attempted murder of Wrenshad*
7 *Anderson we find the defendant, Aneisha Young, guilty.*

8 *As to the charge of possession of a weapon during*
9 *the commission of a violent crime, we find the*
10 *defendant, Aneisha Young, guilty.*

11 Signed by our foreperson. You may be seated, Mr.
12 Plexico.

13 Mr. Plexico, would you like this jury individually
14 polled, sir?

15 MR. PLEXICO: Yes, your Honor.

16 JURORS POLLED:

17 THE COURT: All right. Ms. Young, you need to face
18 forward now.

19 Ladies and gentlemen of the jury, when I go
20 through, do you all remember your numbers, your juror
21 numbers? Okay. And if you don't, I'm going to prompt
22 you a little bit, if I need to.

23 I am going to ask each of you two questions. When
24 I say your number, I want you to raise your hand, and
25 I'm going to ask you, is this your verdict, and I'm

3-15-18 STATE V YOUNG

SENTENCING

1 concurrent, thirty-year sentence on the two serious
2 charges, the serious and most serious charge, and a
3 five-year, concurrent sentence on the use of a weapon
4 during the commission of a violent crime.

5 THE COURT: On Indictment 2016-241, it is for
6 murder, the sentence of this court is you be committed
7 to the Department of Corrections for a period of thirty
8 years. And of course, I'm giving you credit for the
9 time you've done, up until you got out last week.

10 DEFENDANT YOUNG: Yes, ma'am. Thank you.

11 THE COURT: On Indictment 2016-251 for attempted
12 murder, the sentence of this court is that you be
13 committed to the Department of Corrections for a period
14 of ten years, and that is to run consecutive to the
15 murder charge.

16 On Indictment 2016-569 for possession of a weapon
17 during the commission of a violent crime, the sentence
18 of this court is you be committed to the Department of
19 Corrections for a period of five years, and that is to
20 run concurrent to the other charges. Good luck to you.

21 All right. All right. I'm going to step down.
22 The rest of you need to remain until the deputies escort
23 you out. Okay? Thank you.

STATE OF SOUTH CAROLINA
COUNTY OF JASPER

IN THE COURT OF GENERAL SESSIONS

The State of South Carolina,

Ind. No.: 2016-GS- 27-000241, 251, 569

Plaintiff,

v.

MOTION TO EXCLUDE
TEXT MESSAGES AS HEARSAY

Aneisha Young,

Defendant.

To: Brian Holland, Assistant Solicitor of the Fourteenth Circuit

PLEASE TAKE NOTICE that the defendant in the above entitled matter, through his attorney, will move before The Honorable Carmen T. Mullen presiding over the March 12, 2018 term of Jasper County General Sessions Court for a hearing to exclude text messages in that the text messages are Hearsay under SCRE 802 and are not covered under the Hearsay exception of SCRE 803(6).

A text message is not generated by a business. The unknown individual holding the texting device at the moment the text is sent is the sole creator of the text and only that person could attest to its trustworthiness or authenticity. A text is akin to a memorandum.

To be admissible under SCRE 803(6), a memorandum must be

1. ...made at or near the time
2. By a person with knowledge... and if
3. It was the regular practice of that business activity to make the memorandum ...
4. Unless the source of information or the method or circumstances of preparation indicate a lack of trustworthiness...

A text is

1. Not made by a business employee in this case
2. Texts are not made by the business to serve a purpose of the business
3. The source of the text is unknown and therefore could never be considered trustworthy.
