Ms. Hopkins:

I left a message for you today regarding the State v. Odom case (2012-206186). We received an Order from the Clerk granting the State's motion to hold the case in abeyance. I was under the belief that this type of Order would have to come from one of the Justices and wanted to see if you could help clear that up for me. There may be an Order of the Court that allows for this and I just wanted to see if you could direct me to it. I appreciate your patience as I do not do a great amount of appellate work. Thank you.

Brian

Ms. Hopkins:

I did receive the hard copy of the transcript on 7/12/12.

I am sending a letter out today to the Court (copied to opposing counsel) notifying that I received the transcript and requesting a 60 day extension of time to file the initial brief and designation of matter on appeal.

Thank you,
Brian
