CLERK OF COURT
McCORMICK COUNTY, SC

Motion Renew Motion to Recieve

Dental Care In This

Matter

Plaintiff moves before this Honorable Court to renew his motion to recieve outside dental care pursuant to S.C. Rules of Civil Procedure, Rule 35. Plaintiff is in pain and has been in pain since 2017, and has been filing request to see a dentist since this complaint has been filed and at every institution he has shipped to to no avail. Through depositions it has been discovered as Plaintiff explained in previous motion that Defendants acknowledged that they knew Plaintiff had numerous of teeth with "active decay" that needed treatment since 2015. This evidence now raises this issue to an 8th Amend. Constitutional violation of "Cruel and Unusual Punishment" to go allow me to go without treatment and remain in pain since 2015 despit several request for dental treatment. Plaintiff understands that Defendants, defends against the actual complaint. However, to object to Plaintiff recieving dental care when evidence from their own clients shows that defendants knew Plaintiff has active decay that needed "serious" attention since 2015. To object to Plaintiff recieving dental care is acknowledging that Defendants don't care about the duty they owe to Plaintiff and does not care if Plaintiff's

Constitutional Rights are violated, which has already been done. By the court prolonging to grant this motion knowing that Plaintiff is in pain, Defendants has acknowledged Plaintiff's serious need for dental care, and knowing Plaintiff is constantly requesting dental to no avail is assisting Defendants in violating his rights as if Plaintiff is an animal which is an understatement because people are constantly be sued, fined, and even incarcerated for animal cruelty and neglect; However for some reason officers of the courts and the judicial system sees nothing wrong with human being being treated this way.

Conclusion

For the foregoing reason Plaintiff request that this motion is granted, or ruled on and if not granted at least Plaintiff can appeal and plead for the relief he needs in a higher court - instead of waiting for months in pain and no one is helping.
