Re: Margaret Carr v. TW Graham and Company LLC  
Appellate Case No. 2018-001738

Dear Counsel:

Upon reviewing your respondent's final brief, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected within ten (10) days of the date of this letter or your respondent's final brief will not be considered:

- Pursuant to Rule 267(e), the covers of all copies the respondent's brief must be red and of a material not less than 50 pound weight.
- The binding does not comply with Rule 267(d), SCACR. If you wish to staple the left side, you must staple the length of the side and bind with heavy tape.
- The caption/title does not comply with Rule 267(a), SCACR. Specifically, our records reflect Jarrel L. Wigger is a counsel of record for the respondent

and must be added. Counsel for the appellant may not be included on the respondent's brief.

- The document is not accompanied by the required certificate of counsel.

Very truly yours,

*V. Claire Allen, Deputy*

CLERK
