Re: Rebecca Rowe v. Family Health Centers, Inc.
Appellate Case No. 2019-000998

Dear Counsel:

Upon reviewing your notice of appeal, the following deficiency has been noted under the South Carolina Appellate Court Rules (SCACR), and this deficiency must be corrected within ten (10) days of the date of this letter or this appeal will be dismissed:

- The notice of appeal references multiple appellants however, the order on appeal does not have a complete caption that includes all parties. An order from the circuit court must be filed that includes a complete caption of all parties.
- Pursuant to Rule 203(d)(1)(B), SCACR, a copy of the notice of appeal must be filed with the clerk of the trial court.

Very truly yours,

CLERK
