Folks—

Attached is a Supplemental Record on Appeal with Amended Index which we propose to file with the Court pursuant to Ms. Lusk's recent comments.

Please review this carefully and advise if it resolves all issues regarding the Record.

I have added the new materials and revised index to a separate volume, at the end of the current numbering scheme, for ease of use.

You will be able to place the supplemental volume (under 30 pages) atop your larger volumes and use the Amended Index included at the front to access the material in all 3 volumes.

I apologize for the confusion and the need for this supplement; I am just getting into this case, and the documentary history has been a bit overwhelming.

Marc will be responding separately on the issue of the hearing recording.
