v.

Milliken and Company, Employer, and Liberty Insurance Corporation, Carrier, Respondents.

Appellate Case No. 2019-000460

ORDER

Appellant has filed a petition to rehear the dismissal of this case and reinstate the appeal. Because Appellant provided a proof of service showing timely service on the South Carolina Workers' Compensation Commission, the petition is granted and the appeal is reinstated.¹

Sarah Jefferies
Jeffrey Scott Jones, Esquire

¹ As to Respondent's request to require Appellant send Respondent a copy of the petition and time to file a response, the request is denied because this court has already reinstated the appeal. *See* Rule 221(a), SCACR ("No return to a petition for rehearing may be filed unless requested by the appellate court."). This court notes Appellant provided a proof of service showing service on Respondent and all filings are uploaded on the South Carolina Appellate Court Public Index.
