ORDER

This court construes Appellant's filing as a petition to rehear the dismissal of this appeal. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.

Mr. Mundine has been receiving SNAP benefits since 4/09, with the exception of a 4 month period from 11/14 - 2/15. He receives benefits as a one person household with zero income, and therefore receives the maximum allotment for one person which is currently \$192 monthly. Mr. Mundine has filed an appeal because he states that when he originally began receiving SNAP benefits in 2009, he was receiving \$200 monthly.
