I am writing you guys now to notify you of my current situation. I am being held on lockup at Perry Correctional Institution under investigation for a incident that happened on another prison yard. I have been removed from Liebers yard for no reason at all, I have been on lockup now going on near 60 days which is the exact amount of time they can hold me with no charge and then let me from off of lockup; But they have yet to do so. I am seeking answers as to what I should do because they are also not allowing me to attend the law library which is against my rights. I have a open case and Im on my PCR-form stage and there are steps to it I dont understand and I only have a certain amount of time to complete it, I dont want to miss my deadline. Please let me know what I should do. I am also wanting to know can you guys send me a (Pre Se Section 1983 Packet). Please get back to me as soon as possible.

Thank You!!
