**MOTION**

**RECEIVED**  
JUL 22 2019  
SC Court of Appeals

Pro Se Plaintiff, Courtney L. Brockington is requesting that the court grant this Motion for Late Filing. A copy of the **Notice of Appeal dated June 17, 2019**, was filed timely with the Court of Appeals Office in Florence, South Carolina. Pro Se Plaintiff understood that the original Notice of Appeal had to be filed with the Court of Common Pleas in Florence, South Carolina and this Notice of Appeals was returned to me, after a Clerk of Court employee called me and stated that the Court of Common Pleas have nothing else to do with my case. After requesting directions on where to file the Notice of Appeal, the Clerk of Court employee stated that she did not know the next step.

Due to the Clerk of Court employee did not know the next step, as well as the Clerk for Judge Craig Brown's office, this Notice of Appeal went through numerous channels before Pro Se Plaintiff received the correct information of court filing from contacting the South Carolina Court of Appeals.

Pro Se Plaintiff is making a motion that this Notice of Appeal is granted by this court due to the court employees not affiliated with the correct court to file this case. Thanks in advance!
