Applicant

v.

South Carolina Department of
Corrections, Respondent

The South Carolina Court of

Appeals

CIA No.: 2019-001077

Motion For 30 day Extension

RECEIVED

JUL 23 2019

SC Court of Appeals

Plaintiff moves before this Honorable Court in a Motion

For 30 day Extension on the grounds:

1. Plaintiff seeks to obtain his trust fund statement in order to proceed in forma pauperis on this appeal.
2. Plaintiff has misplaced the proof of service showing that a copy of the notice of appeal has been timely served on the respondent. Therefore, Plaintiff request the permission to re-filed the notice of appeal to make sure all procedural rules are followed.
3. Plaintiff contends that this appeal was filed because the courts neither the respondent followed the rules by notifying Plaintiff of the dismissal of this action. Whereas Plaintiff could have filed such motions as to rule 59(c) to allow the judge to make correct rulings as to the law of this action. Plaintiff is prejudice by the courts and respondents actions whereas now the courts are charging Plaintiff to correct their mistakes.

For the foregoing reasons Plaintiff request that this motion is granted and he is allowed proceed in forma pauperis.
