Re: Mathes Auto Sales v. Dixon Automotive
Appellate Case No. 2019-000297

RECEIVED

JUL 23 2019

SC Court of Appeals

Dear Shelby:

Confirming our telephone conversations of earlier today, I represented the Plaintiff in the lower court. H. Ronald Stanley, Esq. represented Defendants, Otis Morris, Jr. and Pro Bowl Motors, Inc. Leland B. Greeley, Esq. represented Defendants, Gerald Scott Dixon, Michael Tyrone Moore, and Dixon's Automotive, LLC.

I received a cover letter from Mr. Stanley, copies of Mr. Stanley's initial brief, designation of matter to be included in the record on appeal, and proof of service all dated June 26, 2019, on June 28, 2019.

I received copies of a cover letter from Mr. Greeley to the Court, motion to file initial brief and designation of matter to be included in record of appeal outside of time, initial brief, designation of matter, and proof of service all dated July 1, 2019, on July 5, 2019.

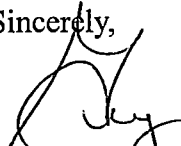

I understood that my initial brief and designation of matter on behalf of Mathes Auto Sales, Inc. was due for service and filing on or before July 26, 2019. I intended to file a single brief but now understand that since there are cross-appeals involved, I am required to file an appellant's initial brief of respondent/appellant and a separate respondent's initial brief of respondent/appellant.

On behalf of my client, I hereby request a 30 day extension of time within which to serve and file these documents. Enclosed herewith is my check in the amount of \$50.00 representing your fee for processing this request.
