RE: Dwayne Lee Rudd v. State of South Carolina
Appellate Case No. 2019-001111

Dear Ms. Deputy Clerk:

I have received your letter dated July 16, 2019 from the Allendale Correctional Institution mail room on July 18, 2019.

Upon review of your letter indicating a deficiency under (SCACR) and stating that - "A proof of timely service has not been provided. You must serve and file a proof of timely service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR."

My records and your file show I have served a timely Notice of Appeal on Harley Littleton Kirkland, AAB the respondent, and I have filed a Proof of Service with the Court of Appeals, so I am not clear of the deficiency. You mentioned App. C to part II, which in the Rules of Court book Pg. 41 is form B; is this the deficiency you speak of? Please give more clarification on the deficiency. I respectfully ask you will also consider the mail here is much slower than out there due to SCDC Policy for processing mail and that I have little to none experience.

Please advise appellant, and if advise is the wrong word than please point out the deficiency and I will correct it.

Very truly,
Dwayne Lee Rudd
