RE: Alicia Bolden v. S.C. Department of Disabilities and Special Needs  
Appellate Case No.: 2019-000301

Dear Ms. Kitchings:

Enclosed please find a copy of an Order received by the Agency today. The Agency is requesting clarification of the Order responding to the Motion to Strike filed by the Agency. The Agency was seeking to strike matters the Appellant included in the Record On Appeal that were not a part of the record before the State Employee Grievance Panel which was the first tribunal to decide this matter. As stated in the Motion to Strike, the Appellant attempted to include some of the same documents previously in the Administrative Law Court as well by attaching them to her brief at that stage.

The Record on Appeal filed in the court includes documents listed in my Motion to Strike that have never been a part of the Record on Appeal and should not be before the Court of Appeals.

Thank you for consideration of this matter.

Sincerely,

Handwritten signature of Tana Vanderbilt in black ink.
