

"Explanation for appealing"

South Carolina Court of Appeals 5:30am  
Po. Box 11629  
Columbia, S.C. 29211 July 23, 2019

I - I was lied to by my attorney & the Solicitor  
I was told that I wouldn't be an <sup>offender</sup> <sup>Sexual</sup>  
I wasn't tested for my mental health  
I was told it would be non-violent  
I was told a lie, while under oath by  
my defense attorney

I - I was just plain out lied to, I trusted my lawyer.

I - I don't feel that I was represented  
fairly that my lawyer was never on my  
side from the get go with the advice  
he gave me and the promises he made  
telling me to say this or that and  
I would get 3yrs or less or MHC.  
Why else would I testify against my-  
self and make myself get 15yrs? None  
of it was true, my lawyer just told  
me that's what was best 4 me.

I - I was under the influence in Aug 18  
the first time I took the plea & I  
wasn't on my (psych) meds.

I - The judge had been biased against  
me from the beginning.

I - my lawyer told me I had zero  
chance at winning at a trial which was also

RECEIVED

SC Court of Appeals

I just want what's fair  
and right it's supposed  
to be what's fair and right.  
And it doesn't seem that way at all.

Sincerely

Shirley  
D. Howey

- I don't feel like I was represented  
to my lawyers full ability.

- My first lawyer Thomas Floyd he  
retired told me that there were  
so many bed bugs that I would walk  
Galmore from the get go told me that  
he didn't believe me.

- There was no evidence, except ME  
making up lies that Galmore told me  
in order to get out of this  
in the end landed me here. I was  
just another notch on his belt.  
I think the DIA and my lawyer  
used that I have a 8th grade education  
and a mental disorder against me. All  
they seen was white trash. I just  
want a fair trial. I was all over the  
news and James Galmore even told  
me I couldn't get a change of venue.  
He didn't even get my GPS time  
counted y me now.

(Aug 26 2018 - Oct 23 2018) (GPS - July 27 2017 - May 23 2018)

- I think if my GPS time were to  
count and my time I was waiting also  
extradited back to SC I would just leave it alone but that's a whole  
year.
