Re: Giles Long v. Metro Construction, Inc.
Appellate Case No.: 2019-000897

Dear Ms. Abbott:

I represent the Appellant Metro Construction, Inc., in the matter referenced above. It is my understanding that the Appellant's Initial Brief and Designation of Matter are due on July 29th per an original extension. The purpose of this letter is to request another extension of an additional thirty (30) days for the Appellant Metro Construction, Inc., to file and serve its Initial Brief and Designation of Matter, which would result in a new deadline of August 28th for those documents. All opposing counsel have consented to this extension as shown by the enclosed emailed consents. A check for the required \$50 fee for this request is also enclosed. Please let me know as soon as possible if there is any reason this request cannot be granted. By means of a copy of this the letter I am informing opposing counsel of this communication with the court.

Yours Very Truly,

ROBERT M. COOK II
