RECEIVED JUL 22 2019 SC Court of Appeals

Motion for Extension of Time for Filing Brief

Donald E. Bauldauf Jr. requests 30 days extension of time within which to file a [Insert Appellant/Appellee]

BRIEF, in this case.

This is Movant's: XX 1st: 2nd: (Other) request for extension in this case.

Reason (Good Cause) for extension: On June 18, 2019 I was involved in an accident while cleaning up scrap metal and garbage. I fell while exiting my truck and in turn I suffered acute traumatic injuries to my left hip and lower lumbar. I have previously had both hips replaced and suffer from constant pain in these parts of my body. I received the copy of the transcript on June 22nd, 2019 and have spent the majority of the past month trying to rehabilitate myself using a walker and personal assistance from family and friends. I have followed up with my primary care physician and ask the court to please allow me this thirty day extension so that I may properly prepare my Brief in this matter.

Cordially,

Donald E. Baldauf Jr.
