SC Court of Appeals

Dear Ms. Kitchings,

This letter is in reference to the above case, and in reference to your last correspondence concerning deficiencies in filing my appeal in this court.

I do realize that certain documents were not included. The reason was and still is, that South Carolina Department of Corrections are hindering me from coping the Orders need to be included with the notice of appeal.

As far as proof of service, I know of no Form 7 in Appendix C to part II of the SCACR. If there is any special form or procedure I have no access to it or them. Please provide me with the necessary forms.

You also mentioned the notice of appeal must be filed with the clerk of the trial court. The notice was filed with the trial court, along with proof of service on necessary parties.

As to the required filing fee not being submitted. I had intentions to file an affidavit and petition to proceed in forma pauperis.

However, in light of other circumstances, it appears that the notice of appeal was filed prematurely, due to the fact that Post-Trial Motions are pending before the lower court that have not been resolved completely.

Please accept my deepest regret for any inconvenience that the filing of the notice of appeal has cause this Court.

At this time I do wish to voluntary withdraw my notice of appeal with reservation to file once the post-trial motions have been fully resolved an a final written judgment can be had.

Thank you for your cooperation and assistance in this very important matter. I will await response to this letter at your earliest convenient time.

Respectfully Requested

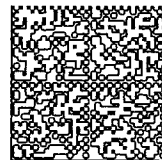

Thurman Lilly, 297494
