Appellate C/A 2019-000334 S.C. SUPREME COURT
Lower Court C/A 2012-CP-42-04651

Honorable Shearouse,

I am respectfully requesting information from your office because of non-consultation with my appellate attorney Susan B. Hackett, through no fault of my own. I have diligently tried to retrieve relevant documents pertaining to my case, to include S.C. Supreme Court orders granting the petitioner (state) multiple extensions. The state have failed to show the existence of extraordinary circumstances and state what actions are being taken to insure that no further extension will be required.

The last order that I received was dated June 4, 2019 which granted the state until July 4, 2019 to file a petition for writ of certiorari. As of date, I have not been notified by my attorney or the Court as to whether the attorney general (state) have complied with the Court's directive. (Respondent's timeline of case)

PCR hearing held Sept. 15, 2014

Relief granted Sept. 6, 2017

State's SQE filed Sept. 25, 2017

SQE order signed Feb. 15, 2019

NOA filed by state Mar. 4, 2019

It is clear from the record and timeline of the case that the state have caused an inordinate and inexcusable delay in this case, which is not attributable to the Respondent. This delay have gone on for several years now with no one to protect the Respondent's due process rights.

Would you please forward to me any and all information pertaining to the extensions that were filed by the state, to include the allege extraordinary circumstances that the state used to get several extensions. I am also requesting to know whether the state have filed a petition for writ in this case.

Your information will be greatly appreciated.

I, Larnie Morris # 227226 certify and verify under the penalty of perjury that the foregoing is true and correct.
