Re: Timmy Thomas
Request to Appeal plea entered July 25, 2018

I, Timmy Thomas (D.O.B. 10/18/1998) have made a decision to appeal a plea entered in General Sessions court before Judge Verdin. I pled guilty to the charge of Indecent Exposure. Today, August 1, 2019 I have discussed the procedural process of filing such an appeal. In addition, I have also been advised that an appeal would have to have grounds that can be provided and explained. Although I am unable to provide such grounds I wish to proceed with an appeal. My attorney has advised me that she doesn't believe there are any meritorious issues to be reviewed on appeal. Nevertheless, I wish to appeal this conviction.
