Re: Notice to the Court Terry Capone v. City of Columbia (2) Appellate Case No.2019-000369

The Honorable Jenny Abbott Kitching, Clerk and SC Court of Appeals:

Today I have tried to call the court to speak to someone and keep getting busy signals. Please accept this notice to the court that because of medical issues of my own and my mom fainting in a shower on her face in her home the week of July 25, 2019, I have lost my place and time in regards to the pace in the above referenced matters.

1. I want to amend my complaint and would like to know can I do it as a reply brief to Attorney Sammataro Brief or do I have to do a Motion to Amend the Complaint?
2. I need to request a extension of time to prepare, how do I make the request to the Courts? Can I submit a letter or do I submit a motion?

Thank you for any consideration you may give my request

With Regards,
