**Re: *Johnson v. State Farm*, No. 2019-00906  
Unopposed First Request for Extension of Time**

Ladies and Gentlemen:

I represent Appellant in the above-referenced appeal. The only transcript ordered in this appeal was received on July 28, 2019. Thus, Appellant's initial brief and designation of matter is currently due on August 27, 2019. Currently, I am working on several other briefs due by August 27, including an opening brief in the Fourth Circuit, an opening brief in the Georgia Court of Appeals, and an opening brief in the Georgia Supreme Court, in addition to various trial-court matters.

To enable me sufficient time to study the transcript for this appeal, I write to request a 30-day extension for Appellants' initial brief and designation of matter, to and including September 26, 2019. Counsel for Respondent, copied here, has advised that he consents to the requested extension. No prior extensions have issued.

Enclosed with this letter, please find a check for the \$25 motion fee.

Sincerely,

  
Howard W. Anderson III
