Subject: Donna Boyd v. State, Appellate Case No. 2019-000458

Chief:

Yesterday, the Court voted to deny reinstatement in this post-conviction case (see staff attorney memorandum enclosed). Today, we received a motion from Ms. Boyd seeking a remand to the circuit court to make more specific findings of fact and conclusions of law (see enclosed).

In light of the Court's action, I think the motion to remand is moot. Therefore, I have revised the order to deal with the motion to remand. See enclosed.

If this proposed order meets with your approval, please let me know if I can use your stamp.
