Re: Scott Arbet v. Riverstone Development
Appellate Case No. 2019-000235

Dear Counsel:

Our records reflect that the time for serving and filing the respondent's initial brief and designation of matter has expired. Within ten days of the date of this letter, you may serve and file the respondent's initial brief and designation of matter, along with a motion requesting permission to serve and file the respondent's initial brief and designation of matter outside of the filing deadlines set by Rule 208 of the SCACR. Your respondent's initial brief and designation of matter will not be considered if no motion is made within ten days of the date of this letter.

Very truly yours,
