RE: Marcus D. Allison v. The State,
Appellate Case No. 2019-001266
Lower Court Case No. 2015CP3700316

Dear Mr. Shearouse:

I appreciate receiving a copy of your correspondence dated August 8, 2019, to all parties of record. This letter comes to you in two parts.

First, as clarification, I am only appearing 'pro se' for the filing of the Notice of Appeal, and to secure counsel to represent my appeal. That is, other counsel than Mr. William G. Yarborough, III, as I am relieving him as counsel of record.

Also, to continue the case as this matter has been pending for quite some time, and I have received no response to any of my requests for expedition to Mrs. Lindsey A. McCallister, or Mr. William G. Yarborough, III. (copies available upon request.)

Second, I respectfully request copies (at my expense) of the response letters that counsel will have mailed to your office explaining why the appeal should not be dismissed, and why it has taken over a year to rule on the motion to alter or amend, per your Order dated above.

I thank you for your time and effort with this request, and I look forward to your response.

Respectfully,

MDA
