Do Direct Appeal usually take? I would

Facts Supported By Body Cam Video AND Court Testimony

C.J. The son and so called witness is never interviewed in Body Cam video. You never see him until hours later after the incident occurred. They can't even prove he was there. (In Body Cam video from court only the Chief of Police (Jeremiah Sinclair) ^{three interviews} the complainant (Jennifer Savarese) and her mom (Angie Stephens) who wasn't even there during the time of the incident. Chief Leves comes back to where I'm at and issues me a trespass notice (In trying to obtain these this now see enclosed letter chief of Police) which I sign and I'm released. He goes back to her house and takes statement sheets to Jennifer. He leaves and comes back a hour or so later and picks them up from C.J. (witness) This is the first time he is seen. Anybody could of wrote those statements. They were not witnessed and the son was never interviewed yet on warrant # 2018A362040075 was brought about on corroboration by victim and witness. no physical evidence. It was a argument on her front porch. I went there to tell her to stop messing with me and she told the the police

That I knock which is true, she comes to the door and we have a conversation about her and her son having the Flu. Then ^(I want a lie detector) she lies saying she asks me to leave and pushes door closed and says I push door open and step inside. She says nothing about me assaulting her. only ~~that I~~ ^(not true! I don't step inside. I remained on porch entire time) step inside. NO back up was called to the scene to assist him. IF it was a so called Burglary ^{1st} as warrant # 2018A332040076 (Burglary ^{1st}) says, wouldn't she say that I came there to deprive her of something instead of saying that I knocked, which I did knock. And she came to door and answers and we converse about she and her son having the Flu, so this is not a Burglary and IF you are going to try and pursue warrants for Assault ^{1st} Burglary ^{1st} why do you let me go on trespass notice, IF I so called assaulted you with a weapon why don't you take that weapon for evidence instead of letting me go on trespass. IF it's a Burglary why don't you fingerprint door. why no collection of evidence and no 911 call. she says that 2 days earlier I came asking for Ashower and she asks me to leave, which is true, but she starts talking crap about me being homeless and I go there to confront her which she says in body cam video. she says that I keep saying for her

Leave me Alone, I WAS INDICTED ON 2-22-19 ON 4-23-19 2 MONTHS (5)
Later I WAS offered 0-3 Drop Assault 1st Drop Burglary 1st And
Charge Assault and I SAID that I WAS not Guilty ^{at that time}
And they SAID okay we will pull A Jury now. I thought
we were pulling A Jury for Assault and. This WAS
Only 2 months after I WAS INDICTED AND I WAS
never given A preliminary hearing or no time to
prepare for A capital case (Burglary 1st, Assault 1st) I
never even SAW Body CAM Footage until After pulled A
Jury. I wrote my public Defender AND filled out
paper for preliminary hearing AND I ALSO HAD ASKED
for Bench trial. I'm Trying to obtain these letters now.
I ALSO ASKED for copies of my due 5 and 6. (asking for 7 months rolling)

I hope I never see a body cam
and never see a lawyer pull
a jury

never saw one said I'm still trying to obtain
these from Charles Venable (Public Defender Newberry SC.
(see enclosed letters) That are time stamped and dated)
(I'm GONNA GET BACK AT HIM IN A MINUTE)

In Body CAM video Chief of Police Sincich SAYS ITS
At Best A simple Assault or disorderly conduct
But will call Solicitors office to see if he can
get A Higher warrant. He knows that I didnt do it.
He even LIES IN Court AND IT IS transcribed.
But turns out Someone told me The Complainant's
Kin people work IN the Solicitors office. I noticed
During the trial while The Complainant Jennifer
Surrance was testifying The Blonde Lady that I SAW
there was sitting with C.J. (The son & witness) watching
and listening to his Mom testify. She WAS
Coaching him what to SAY. I WAS

Repromanded IN court for looking Back. IM wondering
why the Solider had is sitting with them son listening
to his mom testify. How could you take his word in a
Personal Verdict stemming from me asking for A Shower
A couple of Days Earlier There is no physical Evidence, NO
Attempt to Collect Evidence, They ^{did not even take the so}
called weapon (Allen wrench) from me. ^(part even know son was even there) I WAS ISSUED A
trespass notice, ^(trying to obtain) I signed it, And I WAS Released Like I
said the son is never even seen until Hours later (4)
after the ^(body cam video) Argument. Chief Sinclair Drops off statement
Sheets with Jennifer AND her mom (Arlie Stephens) and leaves.
He comes Back ^{or so} Later And picks up with the son (C.J.)
How can you take his word as a witness when he
is never interviewed? ^{???} only his written statement that
wasn't witnessed by the chief Sinclair but was overseen by
his mother AND grandmother telling him what to write
AND say. ^{???} How can you even consider taking a warrant
out on this when she tells you its stemming from
me coming over Earlier And asking for showers And that I
knock and we have a conversation about her being
sick, and ^(screaming) saying that it is At Best A simple Assault or
Disorderly conduct And writer Trespass notice And never
Interviews the witness that supposedly
by Corroboration of Mom + Son is How they
obtained warrant # 2018A3620400075. You
Dont even know he was there! Anybody could
of wrote that statement! Anybody. Anyway
How can you use the son as a witness without
Interviewing him. Did not ask him a single
question. He is never seen until hours
later for the body cam video. After chief leaves AND

CAN Somebody watch these videos AND listen to the court
testimonys AND see that I'm wrongfully charged AND prosecuted.
IS it Because her sister or His sister works IN Solicitors office
not sure which one But know that their kin people work there
I'm trying to obtain Employees names, Maiden AND surnames
IN VIDEO when the chief pulls up on me I'm talking to (5)
Angie Stephens, Jennifer's Mom, I have kids with her, she is
the one who is on Front Porch with chief AND Jennifer
when he is at her ^(Jennifer's) House. She wasn't Even there at the
time of the Argument But she is Allowed to sit IN
while the chief ~~left~~ AND this is when the statements
are filled out. Son still has not been seen nor
questioned AND the Grandmother, Mother, AND Son are left alone
Filling out Statement sheets against me without no
Police witnesses, AND the Grandmother ^(MUSIC) wasn't Even there
AND she definitely has a personal vendetta against me
Because we have been estranged for 20 years fighting
over kids. So since He never questions the son He
has to use these unwitnessed statements to obtain the
warrant. This would be the corroboration Right? only
witness they have isn't questioned nor is He ever seen
until after the statements are picked up. ^(hours later) You can't even
prove He wrote them. How CAN you pursue warrants on a
Personal Vendetta? Was it the Solicitors office or chief of
Police are all three cause something's extremely wrong here, or WAS
it the ^(last for shower) MOM AND ^(kids) Grandma Feeling the vice Because of personal
vendettas against me? I'm sure they tell him what to write AND
say. Because even tho he watched mom testify. AND was coached
by the person from solicitors office (she sat with him the whole
time) He lies on the witness stand. I'm wondering how you can
even get a warrant with no witness or no physical evidence,
AND no attempt to collect any evidence, Just her word

stemming from A personal vendetta from me asking for A Shower for 3 nights Before. ^{I never seen a motion of Discovery} Whatever was said in those unwitnessed statements is what they used to get the warrants. How can they Just take her word with no physical Evidence. IN Body Cam Video I was never questioned only asked why I went there. I was never asked to write a Statement. I wasn't searched. I showed chief the tool (so called weapon) AND put Back IN my pocket AND was Released after signing a trespass notice. How can WARRANTS Be Brought About Later when you wrote it off as A TRESPASS AND I signed It. AS the chief of Police you made the decision I didnt do it, you didnt take the so called weapon, NO ATTEMPT to collect ANY physical Evidence Because there is none AND you do not question the only witness. You Repromand me for A trespass notice which I signed. The Decision has Been made, I've already Been punished. Doesnt this Bring IN Double Jeopardy? How can you seek A WARRANT that carries a Life sentence with no physical Evidence NO witness, NO ATTEMPT to "work" scene of A capital offense, NO ATTEMPT to collect evidence, Didnt Even take the so called ASSAULT ^{1st} weapon From me. - Didnt take my statement but got A Burglary ^{1st} Assault ^{1st} warrant off of a unwitnessed statement, ^(HAD to use statement as witness to get warrant AND He is the only witness) CAUSE HE never questions the son! AND you never even see the son until the last scene of Body Cam Video Hours Later when he comes back to pick up statement sheets that his ^(my baby grandpa) GRANDMA, AND HIS Mamma, sit IN with Him while The Son (CS) AND the Mom, GRANDMA talk about what to say AND write. IF An Assault ^{1st} Burglary ^{1st} Really occurs First thing He would do would Be Arrest me AND take the so called weapon From me. There are NO Marks, NO hospital visit, NO testimony OR video saying I ASSAULT ^{1st} her. Just Her word saying I step INSIDE her house when She asks me to leave. Im still trying to obtain my Rule 5. I asked AND never recieved one But I Remember ^{all} this From Court. So All they

Just her word?
How?

TAKE IN FRONT OF GRAND JURY IS THESE TWO STATEMENTS. THATS ⑤
ALL THEY GOT, NO PHYSICAL EVIDENCE, JUST HER WORD, NOT EVEN HER
SONS WORD, CAUSE THEY NEVER ASK HIM A SINGLE QUESTION.
JUST DROP STATEMENTS OFF AND LEAVE WITH SOMEBODY THAT WASNT EVEN
THERE (my baby MOMMA ^{AND HIS MOMMA}); JUST TAKE HER WORD THAT HER SON WAS THERE.
HE (CHIEF) DIDNT EVEN SAY, WHERE IS C.J. (SON). HE IS THERE, BUT HE DONT
KNOW THAT, CAUSE HE NEVER ASKS WHERE HE IS AT. SO ON MY INDICTMENT
JERIMIAH SINCLAIR (CHIEF OF POLICE WHITMIRE S.C.) IS THE ONLY WITNESS. HE CANT
EVEN DO HIS JOB! SO HOW CAN HE PRESENT SOMETHING TO THE GRAND
JURY WITH STATEMENT SHEETS YOU DONT EVEN KNOW WHO FILLED THEM OUT? HOW!?
ALL IN BODY CAM VIDEO! JUST TAKE THEIR WORD FOR IT. DONT TAKE
MY STATEMENT. DIDNT EVEN GIVE ME A LIE DETECTOR ^{TEST} OR ASK ME
NO QUESTIONS. ITS HER WORD AGAINST MINE AND YOU AND YOUR KID ARE
LYING. CAUSE HES 18 YEARS OLD AND WILL DO ANYTHING, MOMMA AND
^{HIS TESTIMONY} WOULD BE PRECIOUS ^{ANYWAY} WITHOUT PHYSICAL EVIDENCE TO ^{SUPPORT IT} BOTH LIE DETECTORS IF YOU AINT
GRANDMA SAY, WHY NOT GIVE US BOTH LIE DETECTORS IF AN ASSAULT IS
GONNA AT LEAST TRY AND COLLECT ANY EVIDENCE. IF AN ASSAULT IS
OCCUR WITH A WEAPON, WOULDNT YOU TAKE THE WEAPON. IF A BURGLARY ^{IS}
OCCURS WOULDNT YOU CALL FORENSICS FOR FINGERPRINTS. SHE SAYS SHE
ANSWERS DOOR WHEN I KNOCK, THAT WE TALK ABOUT HER AND HER SON HAVING
THE FLU, THEN SHE SAYS SHE SHUTS THE DOOR AND I PUSH IT
OPEN AND STEP INSIDE IF THIS IS SO WHY DONT YOU TAKE FINGER-
PRINTS OFF THE DOOR, INSTEAD OF NOT QUESTIONING THE SON, WHY CANT
WE ALL GET LIE DETECTOR TESTS, BECAUSE I DIDNT GO IN THEIR HOUSE
I WAS ON FRONT PORCH THE WHOLE TIME. HOW CAN I ASSAULT YOU WHEN
IM ON THE PORCH AND YOU IN THE HOUSE. ^{THE} POLICE KNOWS SHE'S LYING
AND WRITES ME A TRESPASS NOTICE. CHIEF SAYS IN VIDEO THAT IT IS AT
A SIMPLE ASSAULT OR DISORDERLY CONDUCT. IF YOU DIDNT THINK SHE
WAS LYING YOU WOULD ARREST ME RIGHT THEN AND TAKE THE SO CALLED
WEAPON FROM ME. SO WHY AND HOW DO YOU COME BACK LATER WITH BOGUS
WARRANTS. CAPITAL WARRANTS WITH NO PHYSICAL EVIDENCE. IF IM PUSHING THE
DOOR OPEN THERE WOULD OF BEEN SOME TYPE OF STRUGGLE. WHY NOT
DESCRIBE THE STRUGGLE. IF IM TRYING TO GET IN YOUR HOUSE AND
DONT WANT TO GET ARRESTED MOVE AND LET ME "STEP INSIDE"

That's what is said and testified to. This is not a natural reaction. (F)
Flea or Fight are natural reactions. A mother trying to protect her
Kid from attack DONT just let someone push the door open
After she shuts it on an assailant. She fights! to death if
necessary. That's the natural reaction of a mother protecting her house.
Hold and Kid, Fight! At least struggle and try and keep door closed.
Not say "He pushed door open and stepped inside." you're lying! If you don't
say that you did not fight to keep that door shut from someone who is
trying to attack you, you are lying! Natural reactions prove this.
If something of this nature occurs ^{you would be} upset and very attuned about this.
This struggle would be what you talked about while the police was
there. The release of a ~~ADRYAH~~ would imprint this in your mind. It
would be the first thing you told the police. She says nothing of
struggle only that I pushed door open and stepped inside. you are lying and
you got your son to lie and I want a lie detector test if I pushed
the door open why don't you fingerprint the door, instead of writing
a trespass notice, which I sign, and let me go. Don't even question the
son, just take her word for it. My ^(Gangster) ~~BABY MOMMA~~ AND HIS MOMMA (Jennifer) who
wasn't even there at the time is fueling the fire and left there while
they all conspire against me to take my life from me, filling
out statements. Telling the son what to say. He gets caught in a lie on
witness stand. All three lie. The son (C.S.) The complainant (Jennifer)
and the chief (Jeremiah Sinclair) if an assault is Burglary is
Happens why don't you collect evidence, fingerprints, take the so called
weapon, look me up. Why do you come back later with woman's affidavit.
you serve trespass notice?? Why are they all lying? After the trial I call my
mom and we are talking, take in mind I haven't seen her talked to my mom in
4 months and phone records from jail prove this, but I have a recording of my mom
and me talking and she tells me that Jennifer told her she did it where I
would get medical care. I have this recorded from jail. She doesn't even
know this phone call was recorded, my momma is a good woman, she does
not lie. I've known Jennifer her whole life and my mom has too.
I was homeless and wasn't working. That's why I went there a couple
nights before asking for shelter. During my trial it wasn't like they were trying
me for Burglary & Assault I felt like I was being tried for being homeless. I bet
this solicitor says this 20 times without any objection from my public defender.
At this point I feel like I'm being conspired against from all sides. They had no
evidence, only the son (C.S.), the mom Jennifer, and the chief all down-
grading me about being homeless & without a job. They all lie on the
witness stand, and this woman who works in the solicitor's office

Turns out to be her KIN People. She sits with them (The son, mom) ⑨
During the trial. When Jehon is Testifying she is Right there
With C.J. (The son) And watch her Testify. Shes telling Him what to
Say And Do. They Aint supposed to Do this. The Police Already
Let his GRANDMA & Mom tell Him what to SAY By not witnessing
The Statement or questioning him, now the Solicitors Office
Has someone sitting with him telling Him what to SAY while
He watches his mom testify. He still lies on the STAND AND my
Lawyer catches Him in the lie AND calls him back on STAND. I HAVEN'T
Recieved My transcripts yet But I know He gets caught IN A LIE.
So how is it that the chief of Police allows this kid to get
Manipulated in to lying on that unwitnessed statement BY not doing
his job And questioning the kid. First it was his Grandma & Mommy,
now its his kin people from the Solicitors office Telling him
what to say in court while He watches His Mom testify. He Aint
supposed to watch her testify. His word is Already precious Because
of Mother/Son Relationship. He will do and say Anything she says. Now
People of Authority Are telling him what to say too. See the conspiracy?
These people took my Life From me over AN Argument on her
Front Porch. I did not enter her house AND I definitely did not
Assault Her. How CAN I Assault you when you are in your House?
I WANT A Lie Detector test For Everybody. Its her word against mine
AND somebody needs to start telling the truth. I have grandbabies
And these people lied on me AND took my Life from me AND I
want something done About this. I'm doing 15 years for A argument
on her Front porch. The Judge told me during sentencing It is A
BAD day for me to have to give you 15 years son. Transcribed.
We Had A conversation. She told me And testifying to this, that she
And her son Have the Flu, And that I tell her to leave me
Alone, This is not A Burglary, its A confrontation. Shes punning shit
on me And I go there to tell Her to stop. I did not Assault ~~it~~
her I never touch you so How can it be An Assault. I wonder
How my trial Happen so fast. I was indicted 2-22-19 AND on
4-23-19 2 months later I WAS offered A 0-3 Drop Burglary
AND Assault ~~1st~~ to Assault ~~2nd~~ I told them I was not Guilty.
Then they took me straight out AND pull A Jury

I HAD NOT EVEN SEEN MY RULE 5 OR DISCUSSED THE CASE WITH
MY PUBLIC DEFENDER. NO PRELIMINARY HEARING. I HAD NO TIME TO ²⁰
PREPARE FOR A CASE THAT CARRIES A LIFE SENTENCE. I ACTUALLY
THOUGHT AT FIRST I WAS PULLING A SURY FOR ASSAULT AND ⁶⁻³ ^(at first trial) BECAUSE
THATS WHAT THEY HAD JUST OFFERED ME. DURING MY TRIAL THEY
INTRODUCED, OR AT LEAST I THINK THEY DID, THEY MIGHT OF JUST
PULLED IT OUT FROM ANYWHERE, BUT THEY HAD THIS BLUE ALLEN
WRENCH WAVING IT AROUND MAKING ALL KINDS OF VIOLENT GESTERS,
WHEN WE JUST WATCHED THE VIDEO OF ME CALM AS CAN BE
AND THE TOOL I HAD WAS RED. CHIEF DIDNT TAKE THE TOOL I HAD,
YOU LET ME GO ON A TRESPASS NOTICE, SO HOW CAN YOU USE A
DIFFERENT TOOL NOT EVEN THE SAME COLOR AGAINST ME? ISNT
THIS A PROP OF SOME KIND. IT DEFINATLY ISNT EVIDENCE!
BECAUSE IT AINT THE ONE I HAD. YOU LET ME GO WITH A
TRESPASS NOTICE WITH MY TOOL. BECAUSE YOU KNEW THEY ARE
LYING. SO HOW CAN THEY USE THIS TOOL AS EVIDENCE WHEN
IT ISNT THE ONE I HAD? WE JUST WATCHED THE VIDEO OF
ME TALKING TO THE POLICE AND CLEARLY MINE IS RED AND THAT ONE
IS BLUE. HOW CAN THEY DO THIS? MY TOOL IS IN THE TOOL
BOX WHERE I PUT IT WHEN YOU LET ME GO AND ITS
STILL THERE. SO HOW CAN YOU USE THIS BLUE ALLEN
WRENCH WHEN ITS NOT EVIDENCE? MINES RED CLEAR
AS DAY IN BODY CAN VIDEO. THATS ALL THE SOLICITOR KEPT
DOING WAVING THIS TOOL AROUND THAT WASNT EVEN MINE
CALLING ME HOMELESS WHILE THE THIS PERSON FROM THE
SOLICITORS OFFICE SAT WITH THE COMPLAINANT AND HER SON.
MY DAUGHTERS SAT RIGHT BESIDE THEM. HERES ANOTHER
THING RIGHT BEFORE THE VERDICT, THEY REMOVE MY FAVORITE
JUROR. THEY SAID HER SON HAD A CASE IN THE

Solicitors Office. IF you Are the Solicitor AND know this
Why Do you Seat them if you know there is A
Conflict of Interest? is it An Ace In the Hole? you Already
Know Her Son Has A Case In your Office when you Seat
her, AND you see us Interacting while I testify AND
you Remove Her AFTER I testify AND I Am the Last witness.
Right Before the Verdict!! of course its An Ace IN the
Hole you knew Her Son HAD A Case In the Solicitors office
when you Seated Her. I know This is against the Bar
Associations code of laws. I'm writing them too to open
an Investigation of some type. I mean you let her sit there
the whole trial AND watch AND Right Before the Verdict you
Remove her Because you watched Her the whole trial to see her
Demeanor towards me. This is wrong AND unethical! First of All
you are trying me on no physical Evidence AND already
admitted to having no Evidence By offering me 0-3. IF I
would of Been guilty I would of taken that AND Run
I had Already did 5 months, But I Am not Guilty AND they are
All Lying. This Solicitor keeps Barging me the whole trial AND especially
while I'm on the stand. keeps calling me Homeless + without A Job.
My public Defender never objects. why Am I Being Tried for Being Homeless.
why was I Arrested for Being Homeless? why dont my public Defender object.
I wrote Him From Jail AND asked for my Rule 5, which I have never
seen, I asked Him for A Bench trial too. I'm trying to obtain these
Letters now. I Filed My Letter to Him thru the clerk of court (see in-
closed Time, Stamped + dated Letter To Charles Verner Newberry County Public
Defender.) I still Have not Heard A word From Him. I Also Asked +
Filed the proper paper For A preliminary Hearing which I never
Recieved. So How is it that He CAN let me go out AND pull A
Jury ON A Capitol case with no preliminary, Zero Time
to prepare (I thought I was being tried for 0-3 Assault ^(At that time I did) AND Because thats
what they told me) + dint even talked to this dude

But For 10 minutes when they Brought me to the Court House. He offers 0-3 I SAY NO, Ten minutes later I'm 12 pulling A Jury for A Capitol Crime. I DIDNT even see Body can video until AFTER I PULLED A JURY. Him Being A Public Defender How Does He not At Least Discuss And look at Any Evidence Before the trial. How Does He Let this trial Begin with zero time for me to prepare? IS IT BECAUSE Jennifer Kin people work IN Solicitors office? Are they All working together Because on the 2ND DAY of my Trial my public Defender Couldnt even Hardly talk HE WAS SO nervous, why is He so nervous? I asked Him could I come back next month to see what they offer But He SAID AND This is His exact words. I cant know why they Have such a "Hard On" for you But they do. Then The Door opened to his office and it WAS the Solicitor And we went to pull a Jury. well I think you do know Because you had me RailRoded too. Do they get extra Money for Capitol CASES? Because they Are obviously working together. Im trying to get these Letters From my Public Defender (Charles Verner) that I wrote couple months Before and one was when I was Arrested asking for preliminary And my Rules And I never Recieved Neither of these. All they Have for Evidence The sons & mans word stemming From A personal vendetta, From me asking for A shower couple nights Before, And they never interview the son, They take A unwitnessed Statement In Front of A Grand Jury And A witness (C.S.) That WAS never interviewed And at that time you couldnt even prove He was At Least I never seen it. The Solicitor Introduces A Blue Allen wrench AS Evidence During Trial And the one I HAD WAS Red IN Body Cam Video And Anyway you DIDNT take the tool From me you Let me go on trespass notice which I sign. Why Doesnt my Lawyer object to these Antics? Why couldnt I see the evidence against me? Why couldnt I Have A preliminary Hearing to see this now-existing Evidence. Because there is no Evidence. Thats only A vindictive Person who gets her son to lie (He lies on witness stand and gets caught. And she does to But Doesnt get caught But will be IN my transcripts. I aint Recieved them yet But would like to Have them SO I can prove that he lied!

AND HOW IS IT THAT MY PUBLIC DEFENDER SITS THERE AND LETS THE SON
WATCH HIS MOM TESTIFY? I think they all conspired against me. The
Complainant (Jennifer) Told My Mom That she did it Because I needed
Medical Care. I have this Recorded on phone call Between me + my
Mom From Jail. These people Lied on me AND took my Life from Me.
Some type of Investigation needs to be Done, All the way Down
to the negligence of Chief Sinclair to the ^(might not be kin, im trying to find out) kin person working IN
the Solicitors office, At Least Someone told me she was kin. I
was told that it was her or her ^(Jennifer) Husbans Sister that was sitting
with the Son while He watched His Mom testify AND that would explain
why my Public Defender was so nervous. He Had Asked me A odd
Question First Day of trial. He Asked me if I knew A old man
named Chris Saverence. I Replied that Jennifer Husbans name AND
He said No this is An older guy than ^{that. I know He knows some-}
thing is wrong with this. It might be her ^(the blonde that works in solicitors office) husband that works there
But I seen Her In the Solicitors office Before the trial AND while
Jennifer was testifying I was Reprimanded for Looking wondering why
The Lady was sitting with her son telling him what to say when
He testified. I never entered her House. I Did not Assault her.
I Remained on porch the whole time so How Did I Assault you when
Im on the porch AND you are IN the House. She AND her mom (Angie)
sat with the son (C.J.) while the police Left AND let them Fill out
these statements Against me ^{AND take my life away, what kind of moral values is this??} teaching this 18 year old kid to Lie.
I WANT Lie Detector tests. Another thing I havent Recieved my trans-
cripts yet But Im sure Jennifer says that she shuts the door AND
locks it, If you shut the door AND lock it, How Do I push it
open? They Are Lying! we All need Lie Detector tests AND
Im sure if the son is pushed He will tell the truth! He
Lied on the witness stand AND was caught IN it. It was
About who called the police Not sure exactly But my lawyer
caught it. (Im trying to get my transcripts now, CAN YOU GET THEM
for me??) Im Indigent, I'm making very serious Allegations
About the Phil. Jennifer, Her mom, the Solicitors office

AND my phone network they all conspire against me
to "Rio" me because I was Homeless. They took me from
my Kios AND my GRAND BABIES I just went there to
tell her to stop AND leave me alone. A Investigation
should be done starting with Lie Detectors for us all. IF
you pressure her AND the kid, especially the kid, he will tell the
truth. I think the negligence of the police was trusting people
that he shouldnt have ^(IN Body CAM video) but could be involved with this conspiracy
but should be reprimanded for not doing his job. I will prove
they lied, they lied on the witness stand AND will be easy
once I get my transcripts AND Body CAM video. The TRUTH
Always comes out. I'm sure she has told somebody by
now AND I know the son probly has too either in
Text message or FaceBook INBOX. I think they all should be
punished to the fullest extent of the law for taking some-
ones life AND family from them with no remorse. Tells
my mom she done it because I needed medical care. I'm sure there is
some kind of Behavioral Analyst that can look at her in the
Body CAM videos AND tell she is lying. CAN look at the son
because he is never interviewed, but is a good boy who is
fixing to start college AND will tell the truth IF questioned.
I will not stop until the truth comes out, please get lie
detectors or start a conspiracy investigation all the way to
the lady from the Solicitors office (who is kin, I was told this, I'm
trying to obtain employees names from Solicitors office MAIDEN AND SIR
names now.) But either way the Solicitors office know that they
Aint supposed to let son hear mom testify. His word is
pregidus anyway due to mother/son relationship AND she coaches
him while he listened. AND the police took the word of a
Grandmother (my BABY momma) ^(Both with personal experience) AND her daughter when the Grandmother
wasnt even there AND neglected to question the only witness
AND didnt witness the statements all in Body CAM video
(C. J. The Son)

IF AM VIOLENTLY SCREAMING WAVING MY HANDS WITH A WEAPON IN IT
WHEN YOU ARE LOOKING FOR ME FOR A SUPPOSED BURGLARY 1ST
ASSAULT 1ST YOU WOULD ALREADY HAVE YOUR GUN PULLED OUT WHEN
YOU GOT OUT OF THE CAR YOU LIED ON THE WITNESS STAND YOU
PIECE OF FUCKING SHIT OR EITHER YOU DIDNT FUCKING DO YOUR JOB
BY RELEASING A VIOLENTLY SCREAMING MAN WAVING A WEAPON AROUND
BACK INTO THE COMMUNITY YOU PROTECT. I CAN TELL YOU NOW THAT
YOU ^(LIED AND DIDNT DO YOUR JOB) BOTH OF THOSE THINGS. YOU LIED ABOUT THE VIOLENTLY SCREAMING
MAN WAVING A WEAPON AROUND, BECAUSE I HAD THE TOOL IN MY
HAND, IF IM VIOLENTLY SCREAMING WAVING MY HANDS AROUND WITH THIS TOOL
IN MY HAND AND YOU ARE LOOKING FOR ME FOR AN ASSAULT YOU WOULD
AT LEAST HANDCUFF ME WHILE I WAS BEING DETAINED. RIGHT?
THIS WOULD BE BASIC POLICE PROCEDURE. THE TAKING OF THIS TOOL/WEAPON
FROM THIS VIOLENTLY SCREAMING MAN WOULD BE THE FIRST THING YOU DO FOR YOUR
SAFETY AND ESPECIALLY YOUR COMMUNITY IF YOU BELIEVE IN THE CATH THAT
YOU TOOK FOR BEING AN OFFICER OF THE LAW AND NOT ONLY AN OFFICER
OF THE LAW BUT THE CHIEF. YOU LIED CAR CAM VIDEO PROVES THIS.
YOU NOT LOCKING ME UP PROVES THIS. YOU NOT ONLY LIED YOU LIED ON THE
WITNESS STAND TAKING THE LIFE OF A COMPLETELY INNOCENT MAN. YOU DID
YOUR JOB. AT FIRST, YOU KNOW LIKE YOU WOULD NOT DO WITH
A CALM, EXPLAINING HISSELF TO HIS EX WHAT HAPPENED, ANSEL
BRADLEY WALKER, YOU HAD ME DETAINED BY A COUNTY CO. AND
YOU LEAVE AND GO TO THE SCENE. YOU MADE AN ASSESSMENT.
SAID IT WAS A SIMPLE ASSAULT OR DISORDERLY CONDUCT. THESE ARE
YOUR WORDS. YOU, THE CHIEF OF POLICE OF WHITMIRE S.C. SAID RIGHT
THEN, IT WAS NEITHER A ROBBERY, BURGLARY, KIDNAPPING OR THEFT.
YOU CAME BACK TO ME AND WRITE ME A TRESPASS NOTICE, THE
DECISION HAS BEEN MADE. ITS A TRESPASS. IF YOU GO BACK
YOU GOING TO JAIL. AND I SIGNED IT. HERE, I WROTE YOU
A WARNING, SIGN RIGHT HERE. DONT GO BACK. YOU DECIDED TRESPASSING
NOT BURGLARY 1ST ASSAULT 1ST. YOU DID NOT INVESTIGATE LIKE A BURG
CALLED NO BACK TO SCENE, NO FORENSICS, NOTHING, DIDNT NEED TO CAUSE
YOU DECIDED IT WAS NOT A BURGLARY OR AN ASSAULT BECAUSE YOU
WEARING THAT CHIEF OF POLICE BADGE FOR WHITMIRE S.C. AND
THAT OATH YOU TOOK WOULD HAD TO OF LOCKED MY
ASS UP RIGHT THEN. NO QUESTIONS ASKED !!!
YOU DECIDED IT WAS A SIMPLE ASSAULT OR A DISORDERLY
CONDUCT

because you would of locked me up for either of those things too. you let me go on trespass if you go back we are gonna lock you up. Everybody involved agreed to this, me too. (19)
no you let me go with the tool you said later that I assaulted her with. Then you go back and take these statement sheets to Jennifer and leave. ^{don't even see CS} Do no Burglary Investigation, you don't question C.S. (the witness) you don't sit in and witness these statements, anybody could of wrote them, just take their word for it that C.S. was even there. Even if somewhere in the back of your mind you think this is a Burglary you lock me up. you made the decision that it was just an argument and wrote me a trespass when you did no Burglary Investigation you decided it wasn't a Burglary - when you said it was a simple assault or disorderly conduct and did not take that tool from me and let me go you decided right then that it wasn't an assault or disorderly. you say in video that you would have to get in touch with solicitor to see if you can get a higher charge. you are the chief of police of Whitmire S.C. you would know if its a Burglary. And if you have any doubts in your mind you detain me until you do a Burglary Investigation. Assault 1st Investigation. you did zero investigation. This sums up your Burglary investigation. This is the way we do it in Whitmire S.C. per say the Chief. I'll drop ^{for body cam video} these statement sheets off and let them fill them out. you don't even know who wrote them! That's your Burglary investigation. And they still say nothing of a Burglary! I don't know what they say. I ain't seen them except on the video in court. I've been asking for my motion of discovery since I got locked up and still ain't seen one. I'm trying to obtain these letters to my lawyer see included letters filed thru the clerk. But I can tell you from body cam video she says, I knock, she says she answers, she says we have a conversation about she and her son having the flu and that I tell her to leave me alone. SO I did not offer injury in the commission of a Burglary. This is not a Burglary! you, Chief of Police says this in body cam video. you say its a simple assault or disorderly you write me a trespass notice so this is not a Burglary or you would of locked me up right then or you would not of been doing your job! you don't write trespass notices for Burglary. So this is not a Burglary of any type so you can throw Burglary away. Everybody involved plaintiff, defendant, and the prosecuting police say its not, on body cam video. And this not being a Burglary this makes Assault 1st no good because without this Burglary ^{during the commission of a Burglary} 16-03-8600 (C)(1) is void. Because the act of offering to injure is not applicable. without this Burglary it has to be Bodily Injury to charge Assault 1st. The Solicitor, my lawyer have a discussion about this while the jury wasn't in there. The jury kept asking questions in deliberation. Plus the fact that I did not enter her house. I stayed on front porch the whole time. I can prove it.

IN WARRANT # 2018 A 36 201/000 76
Assault And Battery 1st Degree (C)(1). I'm pretty sure this is an enhancement FAW to get
1st Degree Burglary. (I Haven't Been to LAW LIBRARY
yet but. Fixing to start going) It says that I
Off offer Injury during the Commission of A
Robbery, Burglary, Kidnapping or theft, In Body
CAM video she says I knock ^{she answers the door} AND we have A
Conversation About Her Having the Flu. She even
says that I tell her to Leave me Alone. So
its neither A Robbery, Burglary, ^(this is what they say it is) Kidnapping, or
Theft. Her word alone proves this In Body CAM
video AND court testimony so the Act of
offering or Attempting to INJURE is NO longer
there. you must go BACK to physical INJURY
OR ASSAULT 1st which (I Remember this from court)
is Great Bodily Injury, Puncture Wound, Hospital
visit etc... Her testimony AND Body CAM video
support the fact that ^(and that I did not touch her in any way) NO Bodily Injury occurs. The
Chief of police says In Body CAM video that
this is probably simple assault or Disorderly
conduct. He lets me go on a trespass notice -
ASSAULT 1st (C)(1) is no longer any good.
Because they both say on video that this is not
A Robbery, Burglary, kidnapping, or theft.
Without this Assault 1st There is no intent to
commit A crime As said on Warrant #
2018 A 36 201/000 75 Burglary 1st Because I Go there to
Confront Her AND tell Her to leave me Alone,
She says this In Body CAM video & court testimony,
not to Depile her nor kidnap her so this is not A
Burglary. She says I knock, which I do, she says we

HAVE A CONVERSATION ABOUT HER & HER SON HAVING
the Flu, which we do, she says that J. Teller ⁽¹⁶⁾
to leave me alone, which I do tell her I remain
on porch the whole time, This is what she lies
about, she says she shuts the door and I push
it open and step inside. This is a lie straight
from hell and I want lie detector test for us
all and pressure put on her and her son to
tell the fucking truth because they took
me from my daughters and my grandbabies.
She lied to the police and she lied in court.
They took my life from me for telling her to
leave me alone. AND THIS CHIEF SINCLAIR JUST
TAKES THEIR WORD FOR IT. Doesnt even interview
the son. Just drops the statement sheets off
with Jennifer, while her mom (Angie who was w/ her
there ^{she is} my babies momma and we don't get along)
and the son sit alone and conspire against
me and fall these sheets out, you never even
see the son until the last scene of body
cam video when C.S. hands the statement sheets
back. Anybody could of filled these out. Chief
is a piece of shit and needs to be
investigated for negligence for his police
work. He takes these peoples word, does NO
investigation, doesnt even take the tool, so called
weapon, nor does ^{any} type of investigation, but goes to
the solicitor with these unwitnessed statements
and gets a warrant that carries a life sentence.
never even questions one of the people that
supposedly writes one of the statements, dont even
know who wrote the statement. But takes this ^{state warrants} ^{stane}
went to the solicitor and gets a warrant at ^{time warrants} 3:55 PM.
This incident happens around 1:00 1:30 PM. and its
around 1 1/2 hours later when he picks these state-
ments up in body cam video, He never question

The kid, so he just takes the word on these statements that you don't even know who wrote them. It makes you just as guilty as they are for not doing your job! you took my life away from me also. It makes you a conspirator. (I don't know who is the most sorry for lying and taking my life from me and my babies and grandbabies especially when you lie in court. you are the chief of police and you get on the stand and lie! when I leave jennifers I walk back to this abandoned house where I'm staying I walk in and come back out and there is my baby ^(Angie) sitting in the middle of the road and I go to her car and lean in showing her the tool that I knocked on the door with ^(Jennifer door I knocked on the door with that Allen wrench) talking calmly and the way I would to the mother of my children explaining why I went over there when the police pull up behind us I look out ^(passenger) the window showing her ^(in the middle of the road) the tool. Chief says on the stand that I'm violently screaming and waving my hands but when he turns the corner I stop. This is a lie straight from hell! For one thing you couldn't see me before you turn the corner and another when you turn that corner on car cam video I'm leaning in the window of my ex car calmly talking to her about what happened. I'm definitely not violently screaming and waving my hands in the air. on car cam video, so you lied! you put this wrong witness stand and its on car cam video, and if this is so, why don't you lock me up.???? Because you are a lying piece of shit who can't do your job! coming from the chief of police in Whitmire S.C. And a jury partly from Whitmire, me being from Whitmire, this lie alone condemns me. And I can prove you lied on your own car cam video proves me right and you wrong because you all see the same thing at the same time and car cam don't fucking lie!!! I was trying to get her to let me sit in car with her. Asked her for a cig. which she said an instant no to both. But I definitely was not violently screaming and waving my hands in the air. violently screaming I would be shouting to the top of my lungs and waving my hands in the air I couldn't be heard in talking to Angie. I'm pretty damn calm actually, you let me go on a trespass notice and you don't let go people that are violently screaming and waving his hands. in the air with a so called weapon in his hand when you pull up. you lock their ass up! Right then with no questions asked! It would be a direct that (to let me go if I was doing that) contradiction of the badge you are wearing. I had the thing in my hand when you pull up. It was Red not Blue unlike the one they exhibited at court. You would not pulled a gun on me dumbass.

I need my transcript BAO, I'm innocent. Please, with these I can
prove they are lying, but also there is something BAO wrong (20)
with this solicitor. I'm hearing now that this might not be a kin
person of the complainant (I'm trying to obtain employees names sir I want to
confirm) but someone via sit with the son while he watched mom testify
and I was reprimanded in court for looking back. I'm wondering what he
is doing watching while she ^{and vice versa} testifies. His word is already prejudicial due to
mother/son relationship and he watches her testify knowing exactly what she says
the solicitor knows this and it's not right, and this lady is sitting with them
that looks like the lady that works there, but that don't know matter until
I find out for sure. IF I find out for sure I'm putting them all in
prison. Everything was handled correctly for a trespass. And that's what it was a
confrontation. I told her to leave me alone. I can prove she and her son lied.
she says everything I say except for she says that she tries to shut door
and I push it back open and step inside. This is a lie. I want lie
detectors for us all. I remained on the porch the whole time
she and her son lied on the witness stand and to the police.
and I'm sure she contradicts herself on the witness stand. I use
my transcripts. Please. And my lawyer calls the son back because
my lawyer knows he is lying. This is not a burglary. I stay on porch
the whole time and how can I assault you when you are in the house
and I'm on the porch. Even the judge knows they are lying because
during sentencing he told me that he was filing a direct appeal. I feel
like this is a conspiracy to get me off the streets because
I was homeless and Jennifer tells my mom that she did it
because I needed medical care. I have this recorded from tail.
I want lie detectors, it's her word against mine. The police
investigation was trespass. He let me go on trespass. And I
signed it. He can't charge me twice on same thing can he?
Aint that double jeopardy? He made a decision it was a trespass
and let me go. He can't come back later and say it's something
else. You don't believe her or you would ^(especially if you think it's a burglary) of fingerprinted the
door where she said I pushed it in. IF I'm trying push the
door in there is a struggle. You just don't say he pushed door
open and stepped inside. you are lying and the police know that.
that's why he let me go! How can I get lie detectors for
all of us. She took my daughters, my grandbabies, and my mom.
And I want her locked up.
