Re: Breakfield v. Woods Case Number 2015 CP 12 00179  
and also Court of Appeals Number: 2016-002016

Dear Mrs. Carpenter:

I appreciate your reply letter dated August 14, 2019. The items listed in your letter: the Exhibits 1-14, and Exhibits 1-3, had already been scanned into the State data base, and these were scanned a couple of years ago. What is still missing is a transcript compiled by a stenographer who is not a regular court reporter. However, there was a typed transcript included with the return of the magistrate, and the transcript needs to be scanned into the State data base as part of the Record for the above case.

The only thing new that has been scanned is my recent letter to you, and then your reply, dated August 14, 2019. Please try to get your employees to scan-in ALL of the Record, including the missing transcript, all of which is part and parcel of the full Record in 2015 CP 12 00179.

Sincerely,

Mell Woods

Copies of all of the above sent to the Clerk's Office, Court of Appeals, and also to Mr. B. Michael Brackett, at his present place of business: 133 Brookspring Road Columbia, S. Carolina 29223
