Re: George Adams, #181283 v. RCSD  
Appellate Case No. 2019-001175

Dear Mr. Adams:

The Court received your letter on August 26, 2019 and is presumed to be in response to the notice of appeal deficiency letter that the Court sent out on July 25, 2019 and the Court's Order that was filed on August 7, 2019. The deficiencies outlined in the Court's letter of July 25, 2019 must be corrected in their entirety before this appeal can proceed. Specifically, the notice of appeal filing fee has not been submitted. If you cannot afford this fee, a motion to proceed in forma pauperis and accompanying proof of service must be served and filed. The motion and affidavit to proceed in forma pauperis that you previously submitted with the requested proposed complaint was for the Magistrate Court and the Court of General Sessions not the Court of Appeals. This is the Court's second request for this correction. Failure to comply with the Court's request within **ten (10) days** from the date of this letter will result in the dismissal of this appeal.

Very truly yours,

*V. Claire Allen, Deputy*
