DEAR HONORABLE CLERK OF COURT:

I am respectfully requesting that you would please take into consideration that I am in my legal avenue of appeal from my sentence and conviction. I had counsel to represent me who ultimately has filed and Anders Brief and removed himself from my case. In that event I am litigating in the Pro Se manner and request that your Court would allow me an extension of 60-days to file a Pro Se Brief.

I need time to compile and compel my discovery from counsel and the courts in order to make my arguments. I am construing this appeal with help of prison inmates legal assistance, therefore I would need time to pursue the issues that are conclusive. I need my files to solidify the record and address my concerns that warrant relief.

I want to thank you well in advance for your time, concern, and consideration in this matter. I feel that this matter is dire and you granting me this extension is sufficient.

Sincerely and Respectfully submitted on this 08, day of 19, 2019.

Drake Austin
