Dear Mrs. Ketching  
please accept this communication as a  
letter reference to the above matter. my  
Padgett Appeal 2019-00902. were filed  
on the May 28-2019. There no evidence  
THAT Padgett heard any informations all  
related to his case or not even the court  
record. the transcript. its are not the  
Appellate defense office. its is the S.C.  
Attorney General office. Padgett have  
reasons to believe the S.C. Attorney  
general office and its staffs are in

facts tampered with the court records of Padgett. The S.C. Attorney General office and its staffs have a long history of tampering with the court records and provides inadequately records of the court transcript. There have not been extensions served upon Padgett to late making the transcript; Mr. Padgett made contact with the S.C. Appellate defense Administrative Assistant at the office. Informed Padgett they are awaited on the records transcript. This was back in July 2019. And Padgett have not see no transcript of his trial. The S.C. Attorney General staffs Attorney advised on Padgett release in August 30/2019 to call Padgett Case 2019-00902 "plot" — But Padgett made contact with the S.C. Appellate defense office when they filed Padgett grounds and reliefs. order the relief that the arrest warrant and the indictments to be expunged and destroyed and no evidence of such records pertaining to the unsworn attached affidavit contained the allegations of the warrant. Violations the 14th Amendment.

**LEGAL** And the S.C. Attorney General Staffs Attorney well know Padgett will mat out his sentence out on the August 30. 2019. That is the REAL REASONS Padgett HAVE NOT heard from the S.C. Office of Appellate defense. That BECAUSE the S.C. Attorney General office TAMPERS WITH the COURT RECORDS, they have in the past TAMPERS WITH the COURT'S RECORDS TRANSCRIPTS INVOLVED Padgett, even others defendants. Padgett have filing complaints related to the same issues to the S.C. Supreme Court concerning the same issues - Atty Gen Staffs Atty's TAMPERS WITH the COURT'S RECORDS OF the TRANSCRIPTS provides inadequate records (Just BECAUSE inmates did not pay for the records. AS the COURTS AWARE we can get one BIT AT the APPLE. And the APPLE DOESN'T fall FAR FROM the TREE. And NEW ADDRESS ABOVE of Padgett, home. Would you have the COURT ISSUE AN order INTERFERED the S.C. Atty Gen Atty's FROM TAMPERS WITH the TRANSCRIPTS? And provide the RECORDS on Appeal. Thanks
