RE: Andrew E. Torrence v. State; App. Case No. 2019-001060

Dear Sir:

I am writing to request a second extension for filing the Petition for Writ of Certiorari and Appendix. I have been actively working on preparing the complex Appendix, along with handling a PCR hearing in Beaufort County and other circuit court and appellate matters this last month. At this time, I need additional time to complete the Appendix and Petition. This request is not made for the purposes of delay, but it is being made as a result of my workload.

Thank you for your assistance with this matter. Please contact me if any additional information is needed.

Yours truly,  
  
Tricia A. Blanchette  
Attorney at Law
