Appellant

v.

South Carolina Department of Employment and Workforce and
Timothy Kern

Respondents

MOTION FOR EXTENSION OF TIME

Respondent hereby moves, pursuant to Rule 263(b), SCACR, for a 30-day extension of time to file its initial brief and designation of matter. This is Appellant's first request for an extension of time. The Department requests additional time due to an abnormally high workload for the Department's counsel over the last month. The Department respectfully requests the Court enter an order granting an additional thirty days to file its brief and designation of matter as good cause exists and the additional time requested will not prejudice either party or cause undue delay. The requested extension would change the due date of Respondent's brief and designation of matter from August 30, 2019, to September

30, 2019. Respondent also requests the Court hold all timelines and due dates in abeyance pending the outcome of this motion.

Respectfully Submitted,
