SC Court of Appeals

Dear Court of Appeals/Said Judge;

I'm writing to appeal this ruling because as I said before, I'm still being detained in Greenville County Detention Center on the same charge from 7-11-17. I have let the court know that I am not a lawyer. That I do not have the proper access to the legal stuff asked for. Nbr did/do I have money to afford a lawyer to handle/take my case for this appeal. Therefore without my knowledge of what Rule 209 of the South Carolina Appellate Court Rules is I can't serve or file the paper work needed for the appeal. I simply don't know what is a designation of matter. I know it's a law that states that because I'm not a lawyer that I should not be held back for a appeals due to the lack of knowing these rules and court rules. I told you I do not have access to a real law library in order to find out these issue. So if I can't continue my appeal in this court then I would like to appeal my case to a higher court. This is the second time I tried to file something with a higher court in South Carolina and got shot down due to my lack of rules of South Carolina courts. I'm all ready being held here illegally, because my bond here is paid and I have a illegal condition of a G.P.S saying to stay away from a victim that I don't have in my case. With them knowing I not eligible for G.P.S from the start because I don't live in South Carolina. Because of them holding I can't afford to get a paid attorney to defend criminal or nor this civil case. The state knows this and is using it as a tactical move to prosecute me.

but all means. With this in mind, I would like to know what is my next step on my appeal process as I have asked on many other letters. That point was never answered none of the time asked. I know that I was wronged in my civil case and I'm not getting fairly treated nor having a fair court process. I'm fighting the solicitors office, Greenville County government, and The State of South Carolina government all at once. Here I am a unqualified person as to the laws and rules of the court. I'm also being held back from being able to have the proper access to the thing needed to complete my cases and they will not allow me to get out in order to be able to afford and attain counsel to assist me with the case. So do to these facts, I want to appeal this case to a higher court.

Yours Truly,

David Green
