**MOTION FOR EXTENSION OF TIME TO FILE INITIAL BRIEF AND  
DESIGNATION OF MATTER**

---

The Appellant, through their undersigned counsel, respectfully requests this Honorable Court grant a 30-day extension for the filing and service of the initial brief and designation of matter in this case.

The Court substituted Appellant's attorney as counsel on August 2, 2007. The transcript in this matter was received on January 3, 2013, and the deadline for the brief and designation is February 4, 2013. This is the undersigned counsel's first request for an extension in this matter.

This request is not intended to delay this matter, but is due to the lengthy transcript and necessary for counsel to properly protect the important appellate rights at stake in this case.
