

The Supreme Court of South Carolina

Ayree Henderson, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2019-001580

Lower Court Case No. 2018CP4004964

ORDER

Petitioner has filed documents that have been construed as a *pro se* notice of appeal.

Based on the failure of the petitioner to provide a copy of the order under appeal as required by Rules 243(b) and 203 of the South Carolina Appellate Court Rules, and the fact that it appears no final decision has been filed in the circuit court,¹ the notice of appeal is dismissed. This dismissal is without prejudice to petitioner's ability to timely seek review under Rule 243, SCACR, once a final decision is filed in the circuit court. The remittitur will be sent as provided by Rule 221, SCACR.
