SC Court of Appeals

Comes now Appellant's Counsel and respectfully moves to be relieved as counsel in the above action. In support of this motion, Appellant's counsel states as follows:

1. This action was timely filed on January 30, 2019 after receipt of an email dated January 8, 2019 which indicated that the Trial Court had dismissed the case of Joyce Strothers v. Clarendon County Council on Aging Trial Court Case No. 2016CP1400417.
2. Since the filing of this action, there has been a breakdown in the attorney client relationship such that Appellant's counsel believes that Appellant and Appellant's counsel's attorney client relationship should be severed.
3. Appellant's counsel respectfully requests that Appellant be given additional time to secure alternate counsel of her choosing in connection with this matter prior to the dismissal of her appeal.
