Ms. Thompson:

I apologize for not getting back to Mr. Key about this request sooner. I have been working very hard to get everything done that will be due during my upcoming medical leave for my hip surgery and this unfortunately slipped through the cracks. Please accept this email in lieu of a more formal response to his request. I have no objection to Mr. Key's request. The Court was more than generous with me in granting me adequate time to prepare and file this petition and I would not oppose the Court giving Mr. Key the same consideration. Please let me know if I need to follow this up with a formal letter. Thank you very much.
