COMPLAINT

Suit to Quiet Title/Non-Jury

COMES NOW Plaintiffs IRVING T. GEDDIS, JR., HARRY M. CARROLL, BARBARA C. STANCIL, AND JOANNE C. WADE, complaining of Defendants, and would show as follows:

1. Plaintiffs bring this action pursuant to South Carolina's Uniform Declaratory Judgments Act, Sections 15-53-10, et seq., Code of Laws of South Carolina (1976), as amended, seeking an order from this Honorable Court declaring that they and certain others own fee simple absolute title in and to the real property which is the subject of this suit (Property), free and clear of all claims.

2. Plaintiffs are residents of Maryland and New York and claim an interest in the Property.

3. Upon information and belief, Defendant MEADWESTVACO FORESTRY, LLC, is a Limited Liability Company organized and existing under the laws of Delaware, and authorized to do business in South Carolina, and owns real property in Dorchester County, South Carolina.

4. Plaintiffs are informed and believe all other Defendants are or were residents of Dorchester County or outside South Carolina and/or may claim some interest in the Property.

5. The real property that is the subject of this suit is situated in Dorchester County, South Carolina and for purposes of this suit is described as follows ("the Property"):

ALL that certain, piece, lot or tract of land containing 54.03 acres, more or less, all as more fully shown on a Plat entitled "Boundary Survey of 54.03 acres owned by Irving T. Geddis & Irma Carroll Geddisville Area Dorchester County, South Carolina," by Robert J. Sample, P.E. R.L.S., September 12, 2006, said plat being recorded in Dorchester County RMC's Office at Plat Cabinet L, Slide 32, on or about October 11, 2006.

BEING the same property conveyed to Irving T. Geddis, Sr., by deed of Adam E. Geddis, Katie Geddis, George E. Geddis, Maggie L. Thompson, Erma Geddis, Albert E. Geddis, Lilla Geddis, Harry Glenn, Thelma Glenn, Joshua Glenn, Joseph Glenn, Robert W. Geddis, Constance Geddis, Angie S. Minfee and Ornisha A. Geddis dated August 31, 1954 and recorded in the RMC Office for Dorchester County in Deed Book 109, at page 73.

TMS No.: 174-00-00-007

5. All matter alleged to be recorded is alleged to be recorded in the Dorchester County RMC's Office or the Dorchester County Probate Court, as appropriate. All allegations of examinations of public records are alleged to be examinations of public records in Dorchester County government departments.

6. On or about April 8, 2002, Plaintiff Irving T. Geddis and his sister, Irma Carroll, a/k/a Irma G. Carroll, instituted a declaratory judgment action in the Dorchester County Court of Common Pleas, Case No. 2002-CP-18-593, in order to quiet title in them to the real property described as follows:

ALL that certain, piece, lot or tract of land containing thirty-five and one third ($35 \frac{1}{3}$) acres, more or less, situate, lying and being in the County of Colleton and State aforesaid, situated near the Edisto River and having the following boundaries to-wit North by lands of James Perry; South by lands of Richard Geddis, East by lands of Mrs. Regina Yonahan and West by lands of Isaac Singleton.

BEING the same premises conveyed to Irving T. Geddis, Sr., by deed of Adam E. Geddis, Katie Geddis, George E. Geddis, Maggie L. Thompson, Erma Geddis, Albert E. Geddis, Lilla Geddis, Harry Glenn, Thelma Glenn, Joshua Glenn, Joseph Glenn, Robert W. Geddis, Constance Geddis, Angie S. Minfee and Ornisha A. Geddis dated August 31, 1954 and recorded in the RMC Office for Dorchester County in Deed Book 109, at page 73.

7. On or about January 12, 2004, Dorchester County Master-in-Equity, the Honorable Patrick R. Watts, entered a Master's Report and Order quieting title in the real property described in paragraph 6 above to Irving T. Geddis, Jr. and Irma Carroll.
8. Irma Carroll passed away on or about May 4, 2004, and all her interest in the real property described in paragraph 6 above was transferred to her children, Harry M. Carroll, Barbara C. Stancil, and Joanne C. Wade, by Deed of Distribution filed with the Dorchester County RMC's Office at Book 5189, Page 237, on or about February 8, 2006.
9. After the January 12, 2004, Master's Report and Order quieted title to Irving and Irma, Irving had the Property surveyed. A copy of the resulting plat is attached hereto as Exhibit A. A copy was also recorded in the Dorchester County RMC's Office at Plat Cabinet L, Slide 32, on or about October 11, 2006.
10. As a result of this survey, Irving learned that the parcel of real property identified by Dorchester County TMS No. 174-00-00-007 actually contains approximately 54.03 acres, more or less, rather than $35 \frac{1}{3}$ acres as stated in the previous suit to quiet title and deeds.
11. Plaintiffs are informed and believe that the description in the 1954 deed to Irving T. Geddis, a/k/a as Irving T. Geddis, Sr., being the same legal description used in the previous suit to quiet title and allegedly only containing $35 \frac{3}{4}$ acres, arose from a 1918 plat by C.E. Durant entitled "Plat of Thirty Five and Three Fourth Acres of land situated on Block Hill South of Givhans Ferry, county and state aforesaid said land out of Richard Washington Estate for Harry Geddis, as per will."

dated September 24, 1918. Prior to ownership transferring to Irving and Irma by Deed of Distribution from estate of Irving T. Geddis, Sr., ownership of the Property transferred from the heirs of Harry Geddis into Irving T. Geddis a/k/a Irving T. Geddis, Sr., by deed filed with Dorchester County RMC's Office at Book 109, Page 85, on or about September 25, 1954. The 1954 deed appears to reference the Durant survey. This survey and deed only reference a combined 35 3/4 acres.

12. Despite the discrepancies in the two surveys and the deeds and the most recent survey, Plaintiffs are informed and believe that they own 54.03 acres rather than 35 3/4 acres or 35 1/3 acres.

13. Plaintiffs believe that these discrepancies are a result of more accurate surveying techniques used in 2006 than was available and used in 1918.

14. Plaintiffs are informed and believe that their predecessors in interest have used all 54.03 acres of the Property and such use was actual, open, hostile, notorious, continuous, and exclusive for a period in excess of 88 years.

15. Plaintiffs are informed and believe that they should be quieted title to the full 54.03 acres as shown on the plat attached hereto as Exhibit A.

16. Upon information and belief, the heirs of Patricia Ann Geddis own that real property which borders the Property on the North/Northwest, and is more fully identified by Dorchester County TMS No. 174-00-00-008, and upon information and belief, these individuals may have some interest in this action.

17. Although the Dorchester County Assessor's records lists the owner of that real property identified by Dorchester County TMS No. 174-00-00-008 as "Patricia Ann Geddis," Plaintiffs are informed and believe that Patricia Ann Geddis died intestate sometime in 1997, however, Plaintiffs found no probate record for the estate of Patricia Ann Geddis. The only heir of Patricia Ann Geddis of which Plaintiffs are aware is Cleveland Geddis.

18. Upon information and belief, the heirs of Rebecca Geddis own that real property which borders the Property on the South/Southeast and is more fully described by Dorchester County TMS No. 174-00-00-011, and upon information and belief these individuals may have some interest in this action.

19. Upon information and belief, Rebecca Geddis died intestate sometime before 1995, leaving as her only heirs at law, George Geddis, John Henry Geddis, and Herman Geddis. This information is derived from a condemnation action filed in the Dorchester County Court of Common Pleas at Case Number 95-CP-18-623. Interestingly, the final order in that case (filed August 26, 1997) indicates that "Rebecca Geddis" attended the final hearing. Plaintiffs have no information as to who the "Rebecca Geddis" listed in that order may be and are informed and believe that Rebecca Geddis is deceased. Despite a diligent search, however, Plaintiffs have not been able to locate any probate record for Rebecca Geddis.

20. Upon information and belief, MEADWESTVACO FORESTRY, LLC owns that real property located on the East of the Property, by virtue of a quit claim deed filed with the Dorchester County RMC's Office on June 13, 2003, at Book 3622, page 013 (derivation is found on page A-44 of this 137-page deed), said real property being identified by Dorchester County TMS No. 174-00-00-009, and this entity may have some interest in this action.

21. Dorchester County records indicate that JoeNatham Geddis owns a mobile home which is located on the real property identified as Dorchester County TMS No. 174-00-00-011, and upon information and belief, he may have some interest in this action. Plaintiffs are not aware of the specific relationship between Mr. Geddis and Rebecca Geddis or her heirs.

22. Dorchester County records indicate that Patrice Geddis owns a mobile home which is located on the real property identified as Dorchester County TMS No. 174-00-00-011, and upon information and belief, she may have some interest in this action. Plaintiffs are not aware of the specific relationship between Ms. Geddis and Rebecca Geddis or her heirs.

23. Upon information and belief the heirs of Lucius Goodwine a/k/a Lucious Goodwine and/or the heirs of Catherine Goodwine a/k/a Catharine Goodwine, one of whom may be Jessie

Goodwine, are the owners of that real property identified by Dorchester County TMS No. 174-00-00-002, which is located on the south of the Property, and upon information and belief, these individuals may have some interest in this action.

WHEREFORE Plaintiffs IRVING T. GEDDIS, JR., HARRY M. CARROLL, BARBARA C. STANCIL, AND JOANNE C. WADE pray that this Honorable Court:

1. Inquire into the matters set forth in this Complaint;
2. Determine the rights of all parties;
3. Confirm and quiet title to the Property in Plaintiffs;
4. Forever bar any claim of any person not entitled to an interest in the Property; and
5. Grant such other and further relief as this Honorable Court deems just, equitable and proper.

FILED-RECORDED
2007 DEC -6 PM 4:36
CHERYL GRAHAM
CLERK OF COURT
DORCHESTER COUNTY

COMES NOW Plaintiffs IRVING T. GEDDIS, JR., HARRY M. CARROLL, BARBARA
C. STANCIL, AND JOANNE C. WADE, complaining of Defendants, and would show as follows:

1. Plaintiffs bring this action pursuant to South Carolina's Uniform Declaratory
Judgments Act, Sections 15-53-10, et seq., Code of Laws of South Carolina (1976), as amended,
seeking an order from this Honorable Court declaring that they and certain others own fee simple
absolute title in and to the real property which is the subject of this suit (Property), free and clear of
all claims.

2. Plaintiffs are residents of Maryland and New York and claim an interest in the Property.

3. Upon information and belief, Defendant MEADWESTVACO FORESTRY, LLC, is a Limited Liability Company organized and existing under the laws of Delaware, and authorized to do business in South Carolina, and owns real property in Dorchester County, South Carolina.

4. Plaintiffs are informed and believe all other Defendants are or were residents of Dorchester County or outside South Carolina and/or may claim some interest in the Property.

5. The real property that is the subject of this suit is situated in Dorchester County, South Carolina and for purposes of this suit is described as follows ("the Property"):

ALL that certain, piece, lot or tract of land containing 54.03 acres, more or less, all as more fully shown on a Plat entitled "Boundary Survey of 54.03 acres owned by Irving T. Geddis & Irma Carroll Geddisville Area Dorchester County, South Carolina," by Robert J. Sample, P.E. R.L.S., September 12, 2006, said plat being recorded in Dorchester County RMC's Office at Plat Cabinet L, Slide 32, on or about October 11, 2006.

BEING the same property conveyed to Irving T. Geddis, Sr., by deed of Adam E. Geddis, Katie Geddis, George E. Geddis, Maggie L. Thompson, Erma Geddis, Albert E. Geddis, Lilla Geddis, Harry Glenn, Thelma Glenn, Joshua Glenn, Joseph Glenn, Robert W. Geddis, Constance Geddis, Angie S. Minfee and Ornisha A. Geddis dated August 31, 1954 and recorded in the RMC Office for Dorchester County in Deed Book 109, at page 73.

TMS No.: 174-00-00-007

5. All matter alleged to be recorded is alleged to be recorded in the Dorchester County RMC's Office or the Dorchester County Probate Court, as appropriate. All allegations of examinations of public records are alleged to be examinations of public records in Dorchester County government departments.

6. On or about April 8, 2002, Plaintiff Irving T. Geddis and his sister, Irma Carroll, a/k/a Irma G. Carroll, instituted a declaratory judgment action in the Dorchester County Court of Common Pleas, Case No. 2002-CP-18-593, in order to quiet title in them to the real property described as follows:

ALL that certain, piece, lot or tract of land containing thirty-five and one third ($35 \frac{1}{3}$) acres, more or less, situate, lying and being in the County of Colleton and State aforesaid, situated near the Edisto River and having the following boundaries to-wit North by lands of James Perry; South by lands of Richard Geddis, East by lands of Mrs. Regina Yonahan and West by lands of Isaac Singleton.

BEING the same premises conveyed to Irving T. Geddis, Sr., by deed of Adam E. Geddis, Katie Geddis, George E. Geddis, Maggie L. Thompson, Erma Geddis, Albert E. Geddis, Lilla Geddis, Harry Glenn, Thelma Glenn, Joshua Glenn, Joseph Glenn, Robert W. Geddis, Constance Geddis, Angie S. Minfee and Ornisha A. Geddis dated August 31, 1954 and recorded in the RMC Office for Dorchester County in Deed Book 109, at page 73.

7. On or about January 12, 2004, Dorchester County Master-in-Equity, the Honorable Patrick R. Watts, entered a Master's Report and Order quieting title in the real property described in paragraph 6 above to Irving T. Geddis, Jr. and Irma Carroll.

8. Irma Carroll passed away on or about May 4, 2004, and all her interest in the real property described in paragraph 6 above was transferred to her children, Harry M. Carroll, Barbara C. Stancil, and Joanne C. Wade, by Deed of Distribution filed with the Dorchester County RMC's Office at Book 5189, Page 237, on or about February 8, 2006.

9. After the January 12, 2004, Master's Report and Order quieted title to Irving and Irma, Irving had the Property surveyed. A copy of the resulting plat is attached hereto as Exhibit A. A copy was also recorded in the Dorchester County RMC's Office at Plat Cabinet L, Slide 32, on or about October 11, 2006.

10. As a result of this survey, Irving learned that the parcel of real property identified by Dorchester County TMS No. 174-00-00-007 actually contains approximately 54.03 acres, more or less, rather than $35 \frac{1}{3}$ acres as stated in the previous suit to quiet title and deeds.

11. Plaintiffs are informed and believe that the description in the 1954 deed to Irving T. Geddis, a/k/a as Irving T. Geddis, Sr., being the same legal description used in the previous suit to quiet title and allegedly only containing $35 \frac{3}{4}$ acres, arose from a 1918 plat by C.E. Durant entitled "Plat of Thirty Five and Three Fourth Acres of land situated on Block Hill South of Givhans Ferry, county and state aforesaid said land out of Richard Washington Estate for Harry Geddis, as per will."

dated September 24, 1918. Prior to ownership transferring to Irving and Irma by Deed of Distribution from estate of Irving T. Geddis, Sr., ownership of the Property transferred from the heirs of Harry Geddis into Irving T. Geddis a/k/a Irving T. Geddis, Sr., by deed filed with Dorchester County RMC's Office at Book 109, Page 85, on or about September 25, 1954. The 1954 deed appears to reference the Durant survey. This survey and deed only reference a combined 35 3/4 acres.

12. Despite the discrepancies in the two surveys and the deeds and the most recent survey, Plaintiffs are informed and believe that they own 54.03 acres rather than 35 3/4 acres or 35 1/3 acres.

13. Plaintiffs believe that these discrepancies are a result of more accurate surveying techniques used in 2006 than was available and used in 1918.

14. Plaintiffs are informed and believe that their predecessors in interest have used all 54.03 acres of the Property and such use was actual, open, hostile, notorious, continuous, and exclusive for a period in excess of 88 years.

15. Plaintiffs are informed and believe that they should be quieted title to the full 54.03 acres as shown on the plat attached hereto as Exhibit A.

16. Upon information and belief, the heirs of Patricia Ann Geddis own that real property which borders the Property on the North/Northwest, and is more fully identified by Dorchester County TMS No. 174-00-00-008, and upon information and belief, these individuals may have some interest in this action.

17. Although the Dorchester County Assessor's records lists the owner of that real property identified by Dorchester County TMS No. 174-00-00-008 as "Patricia Ann Geddis," Plaintiffs are informed and believe that Patricia Ann Geddis died intestate sometime in 1997. Upon information and belief, the estate of Patricia Ann Geddis was probated with the Dorchester County Probate Court at file number 1998-ES-18-00072. She left as her heirs her husband, Cleveland Geddis and her daughter, Patrice O. Geddis. The estate of Ms. Geddis was stricken from the roster with leave to restore for failure to comply with statutory requirements. Plaintiffs found no deed of

distribution regarding the real property described above in this paragraph.

18. Upon information and belief, the heirs of Rebecca Geddis own that real property which borders the Property on the South/Southeast and is more fully described by Dorchester County TMS No. 174-00-00-011, and upon information and belief these individuals may have some interest in this action.

19. Upon information and belief, Rebecca Geddis died intestate sometime before 1995, leaving as her only heirs at law, George Geddis, John Henry Geddis, and Herman Geddis. This information is derived from a condemnation action filed in the Dorchester County Court of Common Pleas at Case Number 95-CP-18-623. Interestingly, the final order in that case (filed August 26, 1997) indicates that "Rebecca Geddis" attended the final hearing. Plaintiffs have no information as to who the "Rebecca Geddis" listed in that order may be and are informed and believe that Rebecca Geddis is deceased. Despite a diligent search, however, Plaintiffs have not been able to locate any probate record for Rebecca Geddis.

20. Upon information and belief, George Geddis died intestate on or about October 24, 1996, and left as his heirs at law Yvonne Geddis Bowens, Gwendolyn P. Spells, and Harry P. Geddis. His estate was probated with Dorchester County Probate Court at file number 99-ES-18-00450. Plaintiffs found no deed of distribution with regard to George Geddis' interest in this real property described in paragraph 19 above.

21. Upon information and belief, MEADWESTVACO FORESTRY, LLC owns that real property located on the East of the Property, by virtue of a quit claim deed filed with the Dorchester County RMC's Office on June 13, 2003, at Book 3622, page 013 (derivation is found on page A-44 of this 137-page deed), said real property being identified by Dorchester County TMS No. 174-00-00-009, and this entity may have some interest in this action.

22. Dorchester County records indicate that JoeNatham Geddis owns a mobile home which is located on the real property identified as Dorchester County TMS No. 174-00-00-011, and upon information and belief, he may have some interest in this action. Plaintiffs are not aware of the specific relationship between Mr. Geddis and Rebecca Geddis or her heirs.

23. Dorchester County records indicate that Patrice Geddis owns a mobile home which is located on the real property identified as Dorchester County TMS No. 174-00-00-011, and upon information and belief, she may have some interest in this action, and she is the daughter of Patricia Ann Geddis.

24. Upon information and belief the heirs of the heirs of Catherine Goodwine a/k/a Catharine Goodwine, one of whom may be Jessie Goodwine, are the owners of that real property identified by Dorchester County TMS No. 174-00-00-002, which is located on the south of the Property, and upon information and belief, these individuals may have some interest in this action. Ms. Goodwine received title to this real property from her son, Lucius Goodwine, by deed filed with the Dorchester County RMC's office at Book 97, Page 111, on or about November 22, 1949.

WHEREFORE Plaintiffs IRVING T. GEDDIS, JR., HARRY M. CARROLL, BARBARA C. STANCIL, AND JOANNE C. WADE pray that this Honorable Court:

1. Inquire into the matters set forth in this Complaint;
2. Determine the rights of all parties;
3. Confirm and quiet title to the Property in Plaintiffs;
4. Forever bar any claim of any person not entitled to an interest in the Property; and
5. Grant such other and further relief as this Honorable Court deems just, equitable and proper.

ANSWER

FILED - RECORD
2007 DEC 14 PM 1:49
CLERK OF COURT
BESSIE

The Defendant, MeadWestvaco Forestry, LLC (erroneously designated as MeadeWestvaco Forestry, LLC), answering the complaint of the Plaintiffs, alleges and says:

1. It denies each and every allegation of said complaint not specifically admitted.
2. It admits, on information and belief, the allegations of paragraphs 1 and 2.
3. Answering the allegations of paragraph 3, this Defendant avers that MeadWestvaco Forestry, LLC was a limited liability company originated and existing under the laws of the State of Delaware, and authorized to do business in South Carolina, and owned real property in Dorchester County, South Carolina. However, MeadWestvaco Forestry, LLC conveyed the properties held by it to MWV Community Development and Land Management, LLC (hereinafter "MWV CDLM"), another limited liability company originated and existing under the laws of the State of Delaware and it is the proper defendant in these proceedings.
4. This Defendant does not have sufficient information to form a belief as to the allegations of paragraph 4 and neither admits nor denies the same.
5. It admits, on information and belief, the allegations of paragraph 5, but avers that it is the owner of property situated to the northeast of the property described in paragraph 5 and this Defendant avers that the property line shown on the plat attached to this answer is the proper property line between the parties.
6. This Defendant does not have sufficient information to form a belief as to the allegation of the second paragraph 5 and neither admits nor denies the same.

7. This Defendant does not have sufficient information to form a belief as to the allegations of paragraphs 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19 and 20 and therefore denies the same and demands strict proof thereof.

8. Answering the allegations of paragraph 21, this Defendant avers that the property is now owned by MWV CDLM and that company should be substituted for the defendant named in these proceedings. It further admits that it is the property located to the northeast of the property claimed by the Plaintiffs and that said real property is identified by Dorchester County TMS No. 174-00-00-009. MWV CDLM does have an interest in establishing the correct boundary line between the parties.

9. This Defendant does not have sufficient information to form a belief as to the allegations of paragraphs 22, 23 and 24 and therefore denies the same.

Wherefore, this Defendant prays that the Court inquire into the evidence establishing the correct boundary between the properties of the Plaintiff and MWV CDLM and adopt such boundary as the correct boundary line between the parties.

IN THE COURT OF COMMON PLEAS
FOR THE FIRST JUDICIAL CIRCUIT
CASE NO: 2007-CP-18-2140

TRANSCRIPT OF TESTIMONY
SUIT TO QUIET TITLE

CLERK OF COURT
DORCHESTER COUNTY

2010 SEP 29 PM 12:55

COMES NOW Plaintiffs Irving Geddis, Jr. Harry M. Carroll, Barbara C. Stancil and Joanne C. Wade and makes the following testimony regarding this case:

1. Plaintiffs bring this action pursuant to South Carolina's Uniform Declaratory Judgments Act, Sections 15-53-10, et seq., Code of Laws of South Carolina (1976), as amended, seeking an order from this Honorable Court declaring that they and certain others own fee simple absolute title in and to the real property which is the subject of this suit (Property), free and clear of all claims.

2. The real property that is the subject of this suit is situated in Dorchester County, South Carolina and for purposes of this suit is described as follows ("the Property"):

ALL that certain, piece, lot or tract of land containing 54.03 acres, more or less, all as more fully shown on a Plat entitled "Boundary Survey of 54.03 acres owned by Irving T. Geddis & Irma Carroll Geddisville Area Dorchester County, South Carolina," by Robert J. Sample, P.E. R.L.S., September 12, 2006, said plat being recorded in Dorchester County RMC's Office at Plat Cabinet L, Slide 32, on or about October 11, 2006.

BEING the same property conveyed to Irving T. Geddis, Sr., by deed of Adam E. Geddis, Katie Geddis, George E. Geddis, Maggie L. Thompson, Erma Geddis, Albert E. Geddis, Lilla Geddis, Harry

Glenn, Thelma Glenn, Joshua Glenn, Joseph Glenn, Robert W. Geddis, Constance Geddis, Angie S. Minfee and Ornisha A. Geddis dated August 31, 1954 and recorded in the RMC Office for Dorchester County in Deed Book 109, at page 73.

TMS No.: 174-00-00-007

3. On or about April 8, 2002, Plaintiff Irving T. Geddis and his sister, Irma Carroll, a/k/a Irma G. Carroll, instituted a declaratory judgment action in the Dorchester County Court of Common Pleas, Case No. 2002-CP-18-593, in order to quiet title in them to the real property described as follows:

ALL that certain, piece, lot or tract of land containing thirty-five and one third ($35 \frac{1}{3}$) acres, more or less, situate, lying and being in the County of Colleton and State aforesaid, situated near the Edisto River and having the following boundaries to-wit North by lands of James Perry; South by lands of Richard Geddis, East by lands of Mrs. Regina Yonahan and West by lands of Isaac Singleton.

BEING the same premises conveyed to Irving T. Geddis, Sr., by deed of Adam E. Geddis, Katie Geddis, George E. Geddis, Maggie L. Thompson, Erma Geddis, Albert E. Geddis, Lilla Geddis, Harry Glenn, Thelma Glenn, Joshua Glenn, Joseph Glenn, Robert W. Geddis, Constance Geddis, Angie S. Minfee and Ornisha A. Geddis dated August 31, 1954 and recorded in the RMC Office for Dorchester County in Deed Book 109, at page 73.

4. On or about January 12, 2004, Dorchester County Master-in-Equity, the Honorable Patrick R. Watts, entered a Master's Report and Order quieting title in the real property described in paragraph 6 above to Irving T. Geddis, Jr. and Irma Carroll.

5. Irma Carroll passed away on or about May 4, 2004, and all her interest in the real property described in paragraph 6 above was transferred to her children, Harry M. Carroll, Barbara C. Stancil, and Joanne C. Wade, by Deed of Distribution filed with the Dorchester County RMC's Office at Book 5189, Page 237, on or about February 8, 2006.

6. After the January 12, 2004, Master's Report and Order quieted title to Irving T. Geddis, Jr. and Irma Carroll, Irving T. Geddis, Jr. had the Property surveyed. A copy was also

recorded in the Dorchester County RMC's Office at Plat Cabinet L, Slide 32, on or about October 11, 2006. A copy of the resulting plat is attached hereto as Exhibit A.

7. As a result of this survey, Irving learned that the parcel of real property identified by Dorchester County TMS No. 174-00-00-007 actually contains approximately 54.03 acres, more or less, rather than 35 1/3 acres as stated in the previous suit to quiet title and deeds.

8. Plaintiffs are informed and believe that the description in the 1954 deed to Irving T. Geddis, a/k/a as Irving T. Geddis, Sr., being the same legal description used in the previous suit to quiet title and allegedly only containing 35 3/4 acres, arose from a plat by C.E. Durant entitled "Plat of Thirty Five and Three Fourth Acres of land situated on Block Hill South of Givhans Ferry, county and state aforesaid said land out of Richard Washington Estate for Harry Geddis, as per will." dated September 24, 1918. Prior to ownership transferring to Irving and Irma by Deed of Distribution from estate of Irving T. Geddis, Sr., ownership of the Property transferred from the heirs of Harry Geddis into Irving T. Geddis a/k/a Irving T. Geddis, Sr., by deed filed with Dorchester County RMC's Office at Book 109, Page 85, on or about September 25, 1954. The 1954 deed appears to reference the Durant survey. This survey and deed only reference a combined 35 3/4 acres.

9. Despite the discrepancies in the two surveys and the deeds and the most recent survey, Plaintiffs are informed and believe that they own 54.03 acres rather than 35 3/4 acres or 35 1/3 acres.

10. Plaintiffs believe that these discrepancies are a result of more accurate surveying techniques used in 2006 than were available and used in 1918.

11. Plaintiffs are informed and believe that their predecessors in interest have used all 54.03 acres of the Property and such use was actual, open, hostile, notorious, continuous, and exclusive for a period in excess of 88 years.

12. Plaintiffs are informed and believe that they should be quieted title to the full 54.03 acres as shown on the plat attached hereto as Exhibit A.

13. Upon information and belief, the heirs of Patricia Ann Geddis own that real property which borders the Property on the North/Northwest, and is more fully identified by Dorchester County TMS No. 174-00-00-008, and upon information and belief, these individuals may have some interest in this action.

14. Although the Dorchester County Assessor's records lists the owner of that real property identified by Dorchester County TMS No. 174-00-00-008 as "Patricia Ann Geddis," Plaintiffs are informed and believe that Patricia Ann Geddis died intestate sometime in 1997. Upon information and belief, the estate of Patricia Ann Geddis was probated with the Dorchester County Probate Court at file number 1998-ES-18-00072. She left as her heirs her husband, Cleveland Geddis and her daughter, Patrice O. Geddis. The estate of Ms. Geddis was stricken from the roster with leave to restore for failure to comply with statutory requirements. Plaintiffs found no deed of distribution regarding the real property described above in this paragraph.

15. Upon information and belief, the heirs of Rebecca Geddis own that real property which borders the Property on the South/Southeast and is more fully described by Dorchester County TMS No. 174-00-00-011, and upon information and belief these individuals may have some interest in this action.

16. Upon information and belief, Rebecca Geddis died intestate sometime before 1995, leaving as her only heirs at law, George Geddis, John Henry Geddis, and Herman Geddis. This information is derived from a condemnation action filed in the Dorchester County Court of Common Pleas at Case Number 95-CP-18-623. Interestingly, the final order in that case (filed August 26, 1997) indicates that "Rebecca Geddis" attended the final hearing. Plaintiffs have no information as to who the "Rebecca Geddis" listed in that order may be and are informed and believe that Rebecca Geddis is deceased. Despite a diligent search, however, Plaintiffs have not been able to locate any probate record for Rebecca Geddis.

17. Upon information and belief, George Geddis died intestate on or about October 24,

1996, and left as his heirs at law Yvonne Geddis Bowens, Gwendolyn P. Spells, and Harry P. Geddis. His estate was probated with Dorchester County Probate Court at file number 99-ES-18-00450. Plaintiffs found no deed of distribution with regard to George Geddis' interest in this real property described in paragraph 15 above.

18. Upon information and belief, MEADWESTVACO FORESTRY, LLC owns that real property located on the East of the Property, by virtue of a quit claim deed filed with the Dorchester County RMC's Office on June 13, 2003, at Book 3622, page 013 (derivation is found on page A-44 of this 137-page deed); said real property being identified by Dorchester County TMS No. 174-00-00-009, and this entity may have some interest in this action.

19. Dorchester County records indicate that JoeNatham Geddis owns a mobile home which is located on the real property identified as Dorchester County TMS No. 174-00-00-011, and upon information and belief, he may have some interest in this action. Plaintiffs are not aware of the specific relationship between Mr. Geddis and Rebecca Geddis or her heirs.

20. Dorchester County records indicate that Patrice Geddis owns a mobile home which is located on the real property identified as Dorchester County TMS No. 174-00-00-011, and upon information and belief, she may have some interest in this action, and she is the daughter of Patricia Ann Geddis.

21. Upon information and belief the heirs of the heirs of Catherine Goodwine a/k/a Catharine Goodwine, one of whom may be Jessie Goodwine, are the owners of that real property identified by Dorchester County TMS No. 174-00-00-002, which is located on the south of the Property, and upon information and belief, these individuals may have some interest in this action. Ms. Goodwine received title to this real property from her son, Lucius Goodwine, by deed filed with the Dorchester County RMC's office at Book 97, Page 111, on or about November 22, 1949.

22. By virtue of the deeds as more fully described above, any interests or right claimed by Defendants or their assigns should be extinguished.

Geddis dated August 31, 1954 and recorded in the RMC Office for Dorchester County in Deed Book 109, at page 73.

TMS No.: 174-00-00-007

3. On or about April 8, 2002, Plaintiff Irving T. Geddis and his sister, Irma Carroll, a/k/a Irma G. Carroll, instituted a declaratory judgment action in the Dorchester County Court of Common Pleas, Case No. 2002-CP-18-593, in order to quiet title in them to the real property described as follows:

All that certain, piece, lot or tract of land containing thirty-five and one third (35 1/3) acres, more or less, situate, lying and being in the County of Colleton and State aforesaid, situated near the Edisto River and having the following boundaries to-wit North by lands of James Perry; South by lands of Richard Geddis, East by lands of Mrs. Regina Yonahan and West by lands of Isaac Singleton.

Being the same premises conveyed to Irving T. Geddis, Sr., by deed of Adam E. Geddis, Katie Geddis, George E. Geddis, Maggie L. Thompson, Erma Geddis, Albert E. Geddis, Lilla Geddis, Harry Glenn, Thelma Glenn, Joshua Glenn, Joseph Glenn, Robert W. Geddis, Constance Geddis, Angie S. Minfee and Ornisha A. Geddis dated August 31, 1954 and recorded in the RMC Office for Dorchester County in Deed Book 109, at page 73.

4. On or about January 12, 2004, the Dorchester County Master in Equity entered a Master's Report and Order quieting title in the real property described in paragraph 3 above to Irving T. Geddis and Irma Carroll. A copy of the filed Master's Report and Order is attached hereto as Exhibit A.

5. Irma Carroll passed away on or about May 4, 2004, and all her interest in the real property described in paragraph 3 above was transferred to her children, Harry M. Carroll,

5/10

Barbara C. Stancil, and Joanne C. Wade, by Deed of Distribution filed with the Dorchester County Register of Deeds Office in Book 5189 at Page 237, on or about February 8, 2006. A copy of the filed Deed of Distribution is attached hereto as Exhibit B.

6. After the January 12, 2004, Master's Report and Order quieted title to Irving Geddis and Irma Geddis, the owners had the Property surveyed. A plat was recorded in the Dorchester County RMC's Office at Plat Cabinet L, Slide 32, on or about October 11, 2006. A filed copy of the resulting plat is attached hereto as Exhibit C.

7. As a result of the survey attached hereto as Exhibit C, it was discovered that the parcel of real property identified by Dorchester County TMS No. 174-00-00-007 contains 54 acres rather than 35 1/3 acres as stated in the previous suit to quiet title and deeds.

8. In their Complaint, Plaintiffs alleged that the Property may be delineated by the plat by C.E. Durant entitled "Plat of Thirty Five and Three Fourth Acres of land situated on Block Hill South of Givhans Ferry, county and state aforesaid said land out of Richard Washington Estate for Harry Geddis, as per will," dated September 24, 1918. However, further reflection of the public records, including the Master's Report and Order for Case Number 2002-CP-18-593, attached hereto as Exhibit A, revealed that the Durant plat is of entirely different property located well north of the subject Property. Those parcels are identifiable by tax map numbers 139-00-00-008 and 140-00-00-036. The property in the Durant plat transferred from the heirs of Harry Geddis into Irving T. Geddis a/k/a Irving T. Geddis, Sr., by deed filed with Dorchester County RMC's Office at Book 109, Page 85, on or about September 25, 1954. A copy of the Durant plat is attached hereto as Exhibit D.

9. The discrepancy between 35 1/3 acres and 54 acres may be attributable to no survey of the subject Property contemporaneous with the conveyances in the first half of the twentieth century, and none until 2006.

 6/10

10. Despite the discrepancy, Plaintiffs own 54 acres, more or less, rather than 35 1/3 acres, based upon long recognized lines of occupation.

11. Plaintiffs and Defendant MWV CDLM, have entered into a boundary line agreement changing slightly their mutual boundary line. These parties have agreed that a new boundary line plat which was recorded in the Dorchester County RMC's Office at Plat Cabinet L, Slide 177, on January 10, 2012, to supercede Exhibit C. A filed copy of the resulting plat is attached hereto as Exhibit E setting forth the agreed-upon boundary line and indicating that the Property contains 53.8 acres.

12. Plaintiffs and their predecessors in interest have used all 53.8 acres of the Property and such use was actual, open, hostile, notorious, continuous, and exclusive for a period in excess of 88 years. In case number 2002-CP-18-593, the Master found they had grown and harvested timber. ← but where?

13. By virtue of that occupation and possession under color of title, Plaintiffs have fee simple absolute title to the Property free and clear of all claims, pursuant to Section 15-67-220, Code of Laws of South Carolina (1976), as amended.

14. The heirs of Patricia Ann Geddis own that real property which borders the Property on the North/Northwest, and is more fully identified by Dorchester County TMS No. 174-00-00-008.

15. Although the Dorchester County Assessor's records lists the owner of that real property identified by Dorchester County TMS No. 174-00-00-008 as 'Patricia Ann Geddis,' Patricia Ann Geddis died intestate on or about December 22, 1997. The estate of Patricia Ann Geddis was probated with the Dorchester County Probate Court at file number 1998-ES-18-00072. She left as her heirs her husband, Cleveland Geddis and her daughter, Patrice Geddis. The estate of Patricia Ann Geddis was stricken from the roster with leave to restore for failure to

 7/10

comply with statutory requirements. No deed of distribution can be located regarding the real property described above in this paragraph.

16. MWV CDLM, formerly known as Meadwestvaco Forestry, LLC, owns that real property located on the East of the Property, by virtue of a quit claim deed filed with the Dorchester County RMC's Office on June 13, 2003, at Book 3622, page 013 (derivation is found on page A-44 of this 137-page deed), said real property being identified by Dorchester County TMS No. 174-00-00-009. Plaintiffs and MWC CDLM have entered into a boundary line agreement changing slightly the mutual boundary as set forth hereinabove and in Exhibit E.

17. The heirs of Catherine Goodwine a/k/a Catharine Goodwine, one of whom it appears is Jessie Goodwine, are the owners of that real property identified by Dorchester County TMS No. 174-00-00-002, which is located on the south of the Property. Ms. Goodwine received title to this real property from her son, Lucius Goodwine, by deed filed with the Dorchester County RMC's office at Book 97, Page 111, on or about November 22, 1949.

18. The heirs of Rebecca Geddis own that parcel of real property more fully described as Dorchester County TMS No. 174-00-00-011. In their Complaint, Plaintiffs allege upon information and belief that this parcel borders the Property on the south / southeast. A review of the public records of Dorchester County establishes that this parcel does not border the Property.

19. Pursuant to the Deed attached hereto as Exhibit B, none of the other or bordering property owners, as shown in Paragraphs 13 through 17 above, inclusive, have an interest in the Property.

CONCLUSIONS OF LAW

1. By virtue of that occupation and possession under color of title, Plaintiffs have fee simple absolute title to the Property free and clear of all claims, pursuant to Section 15-67-220, Code of Laws of South Carolina (1976), as amended.

and Cleveland Geddis will move on the tenth day after the date of these presents, or as soon thereafter as counsel may be heard, before Patrick R. Watts, Special Referee, to reconsider the ruling on his Special Referee's Report and Final Order dated January 20, 2012 and for a new trial. This motion is made pursuant to Rules 52, 59, and 60 of the South Carolina Rules of Civil Procedure. This Motion shall be based upon the the filed pleadings, the case file, applicable South Carolina statutory and case law, and on the following grounds:

1. The evidence presented at trial was not sufficient to support the finding by the Court that the Plaintiffs have fee simple absolute title to the Property, free of all claims, pursuant to Section 15-67-220, Code of Laws of South Carolina (1976), as amended.
2. The evidence presented at trial was not sufficient to prove the Plaintiffs and/or their predecessors in interest used all 53.8 acres of the Property and such use was actual, open, hostile, notorious, continuous, and exclusive for a period in excess of 88 years. Exhibit A to the Special Referee's Report and Final Order is evidence that Plaintiffs and their predecessors in title did not believe in 2004 that they owned any more than 35 1/3 acres.
3. The evidence presented at trial was not sufficient to explain the discrepancy between 35 1/3 acres and 54 acres.
4. A survey entitled, "Forensic Survey Detailing Area Claimed by the Owners of TMS 174-00-00-007 & 008," was completed on December 14, 2011 and confirms the accuracy of the Plat by F.C. Schulz dated August 16, 1888 for Harry Geddis of 35 1/3 acres recorded in Plat Book 11 Page 95, Slide A-42. The December 14, 2011 survey was not completed until after the final hearing in this matter. A copy of the survey

is attached hereto as Exhibit A and incorporated herein by reference. The survey is evidence that the property owned by the Plaintiffs is 35 1/3 acres and not 54 acres.

WHEREFORE, the Defendants Cleveland Geddis and Patrice Geddis pray for an Order of the Court as follows:

- [A] Granting an evidentiary hearing in this matter;
- [B] Granting a new trial; and
- [C] Awarding such other and further relief as this Court deems just and proper.

PLEASE BE PRESENT IF SO MINDED.

IRVING T. GEDDIS, JR., HARRY M.
CARROLL, BARBARA C. STANCIL, AND
JOANNE C. WADE,

Plaintiffs,

vs.

REBECCA GEDDIS, PATRICIA ANN
GEDDIS, CLEVELAND GEDDIS et al,
Defendants.

ORDER DENYING MOTION

On February 21, 2012, Defendants Cleveland Geddis and Patrice Geddis filed a Motion To Reconsider, Alter and Amend Decree and For New Trial. They asked this Court to reconsider its Special Referee's Report And Final Order for this case, signed January 18, 2012, filed January 20, 2012.

On August 14, 2012, this Court conducted the hearing on that motion. Attending were, Cleveland Geddis, Patrice Geddis, and Ashley G. Andrews, Esq., their attorney; and Irving T. Geddis, Jr., Harry M. Carroll, and William E. McIntosh, Esq., their attorney.

After due deliberation upon the record, the evidence and argument the parties presented and the applicable law, this Court concludes that the motion should be denied entirely. This is a reversal of what this Court ruled from the bench at the hearing. Further, lengthy deliberation convinces this Court to rule otherwise.

FINDINGS OF FACT

In April 2002 Plaintiffs commenced a suit to quiet title to the subject property. That case was number 2002-CP-18-593.

The bases for their claim were a deed into Harry Geddis recorded in the Dorchester County Register of Deeds office on September 24, 1918, in Book 32, page 234, and a deed into Irving T. Geddis, Sr. by the heirs of Harry Geddis dated August 31, 1954, and recorded in Book 109, page 73.

These deeds described the subject property as containing 35 1/3 acres near the Edisto River, bounded on all sides by lands of other named land owners. According to the legal description the westerly boundary of the subject property was bounded by lands of Isaac Singleton.

On January 12, 2004, the Master's Report and Final Order was enrolled quieting title in the Plaintiffs.

In September 2006 the Plaintiffs had the subject property surveyed. The plat showed about 54 acres, not 35 1/3. They recorded that plat on October 11, 2006, in Plat Cabinet L, Slide 32.

In November 2007 the Plaintiffs commenced this suit to quiet title to the same property. This time they asserted ownership over 54 acres and named as defendants all the adjacent land owners.

In their *Lis Pendens* for this case Plaintiffs stated that the property on the west of the subject property was 76.4 acres inherited by Patricia Ann Geddis upon the death of Thomas Singleton, as shown in his estate file numbered 77-ES-18-105. The Devise/Descent form for this property was filed with the Probate Court in April 1982.

The only defendant to serve an Answer was Patricia Ann Geddis' daughter Patrice Geddis. She filed no counterclaim. She filed the most basic of general denials.

Patricia Ann Geddis is likewise deceased. Her estate is on record as case number 98-ES-18-72. That record notes that her sole heirs are her husband Cleveland Geddis and her daughter Patrice Geddis.

On November 17, 2011, this court conducted the trial on the merits of this case. Ms. Patrice Geddis and Mr. Cleveland Geddis attended without legal counsel and participated. Their theory was that if Plaintiffs claim 54 acres when the only deed of record states 35 1/3 acres, then that extra 19 acres must be part of their property. Ms. Patrice testified about some of her family's use of those 19 acres. Some of her family hunt deer out there.

On January 18, 2012, this court issued its order quieting title in Plaintiffs to about 53.8 acres. Plaintiffs and Defendant MWV Community Development and Land Management, LLC had compromised on the location of a common boundary line, which lessened Plaintiffs' acreage. The ruling left intact the common boundary line Plaintiffs claim between their property and Patrice and Cleveland's.

Since they were not represented by counsel and they were genuinely interested in the outcome of this case, this Court gave Ms. Patrice and Mr. Cleveland thirty days to seek legal counsel and file any motion for reconsideration. On February 12, 2012, they did just that.

At the August 14, 2012, hearing, their theory again was that if Plaintiffs get 54 acres, then they lose 19 of their 76 acres. Ms. Patrice testified about how some of her family hunt those 19 acres. She stated that the tax bill for her mother's property is for 76 acres. She presented no evidence about the record title to her mother's property, such as deeds, plats or probate records.

Ms. Patrice's motion referred to an attached plat of a forensic survey by Ashley Land Surveying, Inc. which overlaid a 35 1/3 acre parcel over Plaintiffs' 53.8 acre parcel. She presented that plat at the hearing. It was based upon comparisons of other plats and little field work. It showed substantial projections of the 35 acre parcel across common boundary lines with MWV East Edisto Dorchester LLC.

Another exhibit admitted at the hearing was the Dorchester County GIS Online Property Report for Patrice and Cleveland's property. It noted that the property is in the name of Patricia Ann Geddis, that she acquired it from Thomas Singleton, and that it contains 76.4 acres. It includes an outline of the shape, location and extent of their property.

Yet another exhibit admitted at the hearing was the Dorchester County GIS Online Property Report for Plaintiffs' property. It shows that property containing 54 acres. It also includes an outline of the shape, location and extent of their property.

CONCLUSIONS

This Court erred at the motion hearing when it ruled from the bench that Plaintiffs had failed to meet their burden of proof to establish their adverse possession of the subject property at the trial on the merits. Upon further deliberation about the evidence and argument of the parties, this Court now reverses that bench ruling and finds that Plaintiffs did meet their burden. They had testified under oath about the long time use and occupation of the property by their predecessors. They produced a plat drawn from long recognized county records. Ms. Patrice's testimony about some of her family's use of part of Plaintiff's property was too inexplicit and insubstantial to militate against Plaintiff's evidence.

By this Court's ruling in Plaintiff's favor, Cleveland and Patrice lose nothing. They are not harmed. Ms. Patrice acknowledged that her mother inherited 76 acres, that she was paying taxes on 76 acres and that the GIS Property Report showed her property was still 76 acres, right alongside Plaintiff's 54 acres. According to county records there is no overlap.

This Court discounts Mr. Cleveland's and Ms. Patrice's forensic survey entirely. When this Court compared that plat with the GIS Property Report of Cleveland's and Patrice's property, it finally noticed that the plat fails to account for a huge segment of their property to the north. The forensic plat's depiction of the shape and size of their property does not comport at all with the GIS Property Report's depiction. What the Property Report shows as roughly the northern half of their property, the plat identifies as land of the estate of March Geddis. Mr. Cleveland and Ms. Patrice should have pointed out and explained that glaring contradiction at the motion hearing. As they failed to do so, their survey, and their argument, have no merit. If they are going to bedevil Plaintiffs in court about the location and extent of their property, they need to give the court much more reliable information about the location and extent of their own property.

ORDERS

Based upon the foregoing findings and conclusions this Court denies entirely Patrice and Cleveland's motion to reconsider, alter or amend and for new trial. The Special Referee's Report and Final Order in this case issued January 18, 2012, remains in full force and effect.

AND IT SO ORDERED.
