This matter comes before the Court by way of a Rule to Show Cause motion and hearing on September 13, 2019, initiated by Peter Protopapas, as the duly appointed Receiver of Covil Corporation (“Receiver”).

On May 28, 2019, the South Carolina Supreme Court appointed the undersigned to serve as the Chief Judge of Administrative Purposes over all asbestosis and asbestos litigation filed within the state court system. The Supreme Court’s charge includes facilitating meaningful mediations consistent with the South Carolina Rules of Alternative Dispute Resolution. The Rules mandate attendance at mediation “a representative of the insurance carrier who is not the carrier’s outside counsel and who has full authority to settle the claim” on behalf of any insured party against whom a claim is made. SCRADR 6(b)(4).

Further, the Court has jurisdiction in connection with the Court’s authority over the Receiver in the administration of the receivership of Covil.

Proceedings before this Court on the issue of Covil’s participation in mediation exercises

have demonstrated a lack of clarity regarding what constitutes “full authority” for claims filed against Covil Corporation. This lack of clarity continually delays settlement, stalls negotiations, and slows the ability of this Court to manage the South Carolina asbestos docket. An inquiry into the insurance coverage of Covil Corporation is warranted to fully determine the amount of authority available for settlement of asbestos personal injury actions filed against Covil Corporation.

IT IS THEREFORE ORDERED that United States Fidelity and Guaranty Company (“USF&G”), Zurich American Insurance Company (“Zurich”), Sentry Insurance, a Mutual Company (“Sentry”), and Hartford Accident and Indemnity Company (“Hartford”) respond to the following areas of inquiry under penalty of perjury by September 30, 2019, prior to the *Hopper* mediation. For purposes of clarification of the terms provided in the following areas of inquiry, the terms “You” and “Your” shall mean the responding insurer, in its own capacity and in its capacity as successor to any other insurer entity.

1. Provide all general liability and product liability insurance policies issued by You to Covil Corporation, during the period 1954 through 1991, including, but not limited to, all policy numbers previously identified to this Court as covering Covil Corporation.
