Re: Appellate Case No. 2018-002270
Richard Ciamparella v. City of Myrtle Beach
C/A No. 2014-CP-26-7790
Our File No. 2014-0324C

Dear Ms. Smith:

This letter confirms our conversation this morning, September 24, 2019, wherein I advised you that I did not file an Amended Designation of Matter in this case. As I explained to you, I talked with opposing counsel in an attempt to comply with the Court's Order and found only one reference in my brief regarding the Myrtle Beach Walkover Inspection Report. Both Amy Neuschafer and I agree that the Myrtle Beach Walkover Inspection Report is not part of the transcript and accordingly I should delete any reference to the Myrtle Beach Walkover Inspection Report in my brief. I did not file an Amended Designation of Matter since the Myrtle Beach Walkover Inspection Report was not a part of the transcript and thus not a part of my Designation of Matter.

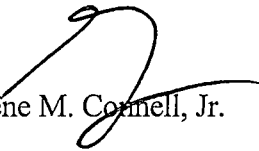

You indicated that I should send a letter to the Court explaining why I have not filed an Amended Designation of Matter and that you felt this would sufficient for the Court. If I need to do anything else, please let me know.

On another matter, Ms. Neuschafer told me that she was going to request an extension to file a reply. I told her I had no objection to her extension.
