

The South Carolina Court of Appeals

The State, Respondent,

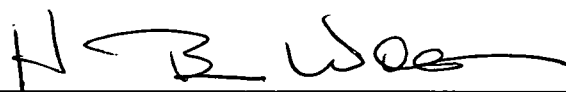

v.

Justin Bradley Cameron, Appellant.

Appellate Case No. 2018-001493

ORDER

Counsel for the appellant has filed a sixth and seventh motion for extension of time to serve and file the appellant's initial brief and designation of matter. It appears appropriate that the motions should be granted. The motions are Granted, but the appellant's initial brief and designation of matter must be served and filed no later than October 1, 2019. If not served and filed by that date, current counsel must make arrangements to have other counsel appointed to assist in this appeal in order to avoid further delay in this case.
