RE: Glenn, Thomas H., et al. v. 3M Company, et al.
Appellate Case No. 2019-001600
Our File No. 044985/01502

Dear Ms. Kitchings:

Appellant Fisher Controls International LLC is in receipt of the transcripts needed for this appeal. The notice of appeal was filed and served on September 20, 2019. By calculation under the rules, the initial brief and designation of matter are currently due October 21, 2019.

Appellant respectfully requests a thirty-day extension to file its initial brief and designation of matter. This is the first extension request for this initial brief. The request is based on Appellant's counsel's deadlines in other cases. With the additional time, the brief and designation will be due November 20, 2019.

A check in the amount of \$50.00 is enclosed as the required filing fee for the extension request. Thank you for your consideration of this request.

Very truly yours,

Nicholas A. Charles
