Re: Request Motion for Extension of Time (2nd) To the Court Terry Capone, Appellant, v. City of Columbia, Employer, and Companion Third Party Administrator, LLC, Carrier, Respondent Case No.2019-000369

The Honorable Jenny Abbott Kitching, Clerk and SC Court of Appeals:

Respectfully request a (30) day extension of time 2nd to prepare and file the Appellant Briefs Due October 14, 2019, Designation of Matter to be included in the Record on Appeal and other filings. In the interest of Judicial Economy I have sought the aid of an attorney, having not received a reply, I have sent a 2nd proposal to settle the issues through the City of Columbia Attorneys furthering to exhaust additional administrative remedies , which I have not received a reply. In addition, I had been having trouble with my eye sight and during an exam my eye glasses had to be taken to put corrected lenses, which have not been returned. I have difficulty focusing and I am in receipt of a recent decision of The US Veterans Administration decision, dated September 18, 2019 of my claim that is evidence I believe is material to the dispute in question. I am leaving to go out of the state of South Carolina Oct 5, 2019, and will return on or about October 16, 2019, I am requesting an additional 30 days Extension 2nd from the Court.
